The way to build up Dallas is to patronize Dallas people.

DALLAS WILL CELEBRATE

Meeting Will Be Held Monday Evening to Arrange Plans for Big Event.

Dallas, "the town that does things," will celebrate the glorious Fourth of July this year, and all the good people of Polk county will join hands in helping to make the celebration a great and successful affair. Every citizen and business man with whom we have talked has expressed himself in favor of a celebration, and all are anxious that it shall be given on a scale that will be a credit to Dallas as a live and enterprising town.

It is not too early to begin arranging for the big event, as much work will necessarily be required to provide a successful day's entertainment. All that is lacking is for some one to make the first move and call the business men together to get the work under way. To accomplish this result, the OBSERVER is going to name Monday evening of next week as the time, and the City Library as the place, for holding this meeting. If no objections are heard to this plan, we will see that handbills announcing the meeting place and hour are distributed among the business houses.

Every business man and patriotic citizen in Dallas should attend this meeting and lend aid and encouragement to the work. If each man does his share, the result will be a celebration of which the people, not only of Dallas, but of the entire county, will be proud.

The attention of the OBSERVER has been called to the need of a Building Inspector in Dallas. Such an officer is needed to inspect all construction work, and especially the plumbing of buildings. The importance of sanitary plumbing is apparent to all, and it is also important that all plumbing should conform to fixed rules and regulations in order to be of a uniform standard throughout the city. The only difficulty likely to be encountered in a town of this size will be in finding a capable man to do the work at a price the town can afford to pay.

A Woman's Back

Has many aches and pains caused by weaknesses and falling, or other displacement, of the pelvic organs. Other symptoms of female weakness are frequent headache, dizziness, imaginary specks or dark spots floating before the eyes, gnawing sensation in stomach, dragging or bearing down in lower abdominal or pelvic region, disagreeable drains from pelvic organs, faint spells with general weakness.

If any considerable number of the above symptoms are present there is no remedy that will give quicker relief or a more permanent cure than Dr. Pierce's Favorite Prescription. It has a record of over forty years of cures. It is the most potent invigorating tonic and strengthening nervine known to medical science. It is made of the glyceric extracts of native medicinal roots found in our forests and contains not a drop of alcohol or harmful, or habit-forming drugs. Its ingredients are all printed on the bottle-wrapper and attested under oath as correct.

Every ingredient entering into "Favorite Prescription" has the written endorsement of the most eminent medical writers of all the several schools of practice—more valuable than any amount of non-professional testimonials—though the latter are not lacking, having been contributed voluntarily by grateful patients in numbers to exceed the endorsements given to any other medicine extant for the cure of woman's ills.

You cannot afford to accept any medicine of unknown composition as a substitute for this well proven remedy OF KNOWN COMPOSITION, even though the dealer may make a little more profit thereby. *Your* interest in regaining health is paramount to any selfish interest *of his* and it is an insult to your intelligence for him to try to palm off upon you a substitute. You know what you want and it is his business to supply the article called for.

Dr. Pierce's Pleasant Pellets are the original "Little Liver Pills" first put up by old Dr. Pierce over forty years ago, much imitated but never equaled. Little sugar-coated granules—easy to take as candy.
