The way to build up Dallas is to patronize Dallas people.

WHAT OF THE NORMAL?

President E. D. Ressler, of the Oregon State Normal School at Monmouth, writes in the April number of the Normal School Courier as follows:

"Naturally, old students and friends of the Oregon State Normal School are inquiring what hopes and plans for the future are cherished for the old school. The last legislature's appropriation of thirty thousand dollars for maintenance was the same as that of two years ago. The Governor's veto of that bill places us in the position of two years ago after the referendum was filed, with this difference. Then the question was submitted to the people at the next general election; now our appeal cannot be made until the next session of the Legislature, which will be in 1909. Since the last appropriation was exhausted by January 1, 1907, the school must borrow the necessary funds until the Legislature of 1909 can come to its relief.

"The Board of Regents has authorized the work to be continued with money borrowed at the local banks on the credit of the faculty, the instructors giving their individual notes for their claims for salary as collateral. This is the same plan adopted two years ago and successfully carried out. If some plan can be devised whereby the faculty will not be obliged to carry the entire burden, it will greatly assist the work for next year. While they have confidence in the future of the school and believe that the next Legislature will make an appropriation to pay these claims, nevertheless they would appreciate assistance in assuming the risk.

"Thus the future conduct of the school is assured until the next session of the Legislature. In the meantime, as described fully elsewhere in this issue, the friends of the institution have decided to place the matter directly before the people in the form of an initiative bill, which will result in a decision of the question whether or not the State of Oregon will make Monmouth a permanent State Normal School and give it adequate financial support."

According to an opinion rendered by Attorney General Crawford in answer to an inquiry from C. L. McNary, assistant district attorney for Marion county, grocers or other stores have no right under the law to have in stock and dispense poisons such as arsenic or any preparation containing a quantity of poison such as spray formulas recommended by the county fruit inspector. The attorney general says: "I am of the opinion that only registered pharmacists are authorized under the law to have in stock and dispense poisons, although such poisons may be used for other than medicinal purposes."

Governor Chamberlain, after having investigated the facts in the controversy between the Oregon sheepmen and those from the state of Washington, has issued a proclamation declaring a state of quarantine against the states of Washington, Nevada and California, and thereby prohibits the importation of sheep from those states into Oregon except under such restrictions as the board of sheep commissioners may prescribe.

Albany and McMinnville, not to be outdone by their neighbor towns in the Willamette Valley, will establish free libraries and public reading rooms. The people of these two towns will find that they never made a better investment. Dallas established a free library about three years ago, and now the people wonder how they ever got along without it before.

Cornelius Hughes celebrated his 73d birthday, Tuesday. He is the pioneer business man of Dallas, having been in business here continuously since the early '60s.

The Carnation Club will give the last dancing party of the season in the Woodman Hall tomorrow night. The Dallas orchestra of seven pieces will furnish music.

Spring Medicine

The best is Hood's Sarsaparilla. It is the best because it does the most good. While it makes the blood pure, fresh and lively, it tones the stomach to better digestion, creates an appetite, stimulates the kidneys and liver, gives new brain, nerve and digestive strength.

An unequalled list of cures—40,366 testimonials in two years—proves its merit.

Sarsaparilla—For those who prefer medicine in tablet form, Hood's Sarsaparilla is now put up in chocolate tablets called Sarsaparilla, as well as in the usual liquid form. Sarsaparilla has identical purgative properties as the liquid form, besides accuracy of dose, convenience, economy, —there being no loss by evaporation, breakage or leakage. Sold by druggists or sent by mail. C. I. Hood Co., Lowell, Mass.

GOLDEN NUGGETS FOR SALLOW PEOPLE

Mrs. J. F. Coe, 50 Gould Street, Stoneham, Mass., says: "In 25 years experience I have never known Hood's Sarsaparilla to fail for spring medicine and as a general blood purifier. It cures scurfy, scabby, has no equal as a general spring medicine. It gives me genuine satisfaction to say this."

Golden Nuggets For Sallow People

If You Read This

It will be to learn that the leading medical writers and teachers of all the several schools of practice recommend, in the strongest terms possible, each and every ingredient entering into the composition of Dr. Pierce's Golden Medical Discovery for the cure of weak stomach, dyspepsia, catarrh of stomach, liver complaint, torpid liver, or biliousness, chronic bowel affections, and all catarrhal diseases of whatever region, name or nature. It is also a specific remedy for all chronic or long standing cases of catarrhal affections and their results, as bronchitis, throat and lung disease (except consumption) accompanied with severe coughs. It is not so much for acute colds and coughs, but for lingering or chronic cases it is especially efficacious in producing perfect cures. It contains Black Cherry, Golden Seal root, Bloodroot, Stone root, Mandrake root and Queen's root—all of which are highly praised as remedies for all the above-mentioned affections by such eminent medical writers and teachers as Prof. Bartholow, of Jefferson Med. College; Prof. Hale, of the Univ. of Pa.; Prof. Pennington, of the Univ. of Va.; Prof. Med. College, Chicago; Prof. John King, M. D., of Cincinnati; Prof. John M. Scudder, M. D., of Cincinnati; Prof. Edm. Wright, M. D., of Hahnemann Med. College, Chicago, and scores of others equally eminent in their several schools of practice.

The "Golden Medical Discovery" is the only medicine put up for sale through druggists for like purposes that has any such professional endorsement—worth more than any number of ordinary testimonials. Open publicity of its formula is the best possible guaranty of its merit. A glance at this published formula will show that "Golden Medical Discovery" contains no poisonous, harmful or habit-forming drugs and no alcohol—chemically pure, triple-refined glycerine being used instead. Glycerine is entirely unobjectionable and besides is a most useful agent in the cure of all stomach as well as bronchial, throat and lung affections for its use in all such cases. The "Discovery" is a concentrated glyceric extract of native medicinal roots and is safe and reliable. A booklet of extracts from eminent medical authorities, endorsing its ingredients mailed free on request. Address Dr. R. V. Pierce, Buffalo, N. Y.
