Woods resigned from the service, was transferred to Coburg. Mr. James is one of the oldest and most competent men in the employ of the company. His family is still in Newberg, but will join him here in the near future.

**Married in Falls City.**

Mr. Clifford Hutchins, of Black Rock, and Miss Edith Brown, a daughter of A. W. Brown of this city, were married at the residence of the Rev. G. F. Rounds, pastor of the M. E. church in Falls City, Saturday, June 1. The young people are in every way deserving of a happy married life, which their many friends will wish for them. Mr. and Mrs. Hutchins will make their home at Black Rock after June 9, where Mr. Hutchins has a new home built for his bride.

**SCHOOL DAYS OVER**

Dallas College Ends Successful Year With Pleading Exercises.

The Class Day exercises held on the College campus, Wednesday afternoon, were largely attended, and were greatly enjoyed by the students and their invited friends. The burlesque orations furnished great amusement for the young people, and the numerous jokes at the expense of the faculty and class members added merriment to the program.

The annual musical recital on Tuesday evening was one of the most pleasant events of the week. Professor Caldwell's pupils gave a program of rare excellence, showing the capable training they had received during the year. Those taking part were Misses Ada Longnecker, Merle Hall, Hallie Morrison, Virginia Miller, Bessie Gooch, Ella Roy, Winnie Kelly, Elsie Key, Messrs. William Caldwell and Lisle Bico. A vocal solo by Frank Snyder, the favorite baritone, and a reading by Miss Naana Forbes were pleasing features of the program.

The Alumni Reunion was held on Wednesday evening in the Evangelical church. After a short musical and literary program, the members of the association held their annual banquet at the Hotel Gail.

The commencement exercises on Wednesday morning drew the largest crowd of the week, every seat in the large church being occupied. The members of the class were Misses Alta Savage, Frankie Hayter, Messrs. Clarence Dodson, Harrison Barendrick, Walter Critchlow, J. Dean Collins and Orrie Arnold. The orations were well delivered and showed careful preparation and thorough knowledge of the respective subjects. An eloquent address to the class was delivered by Rev. J. Bowersox, of Portland. The degrees were conferred and the diplomas presented by President Mook. The graduates were remembered by their friends with a wealth of beautiful flowers.

The year just closed at Dallas College has been highly successful—more successful than any preceding year in the history of the school. Time has shown that the Trustees made no mistake when they advanced Dr. Mook to the Presidency of the institution. His work at the head of the college has demonstrated his fitness for the position. In a few brief months, he has done more to place the school on a sound basis and to bring about a feeling of mutual interest between the town people and the college than was done in all the years before he took charge. The people of Dallas have always felt kindly toward the college, and it only required a man like Dr. Mook to give them an opportunity to prove their friendship and loyalty. Assisted by such faithful and conscientious workers as Professors Metzger, Dunkelberger, Fisher and Bev. Winter, Dr. Mook will spend much of the summer vacation in the counties of western Oregon in the interest of the school, and it is safe to predict that when the doors open again next Fall the number of students will show an increase that will prove a glad surprise to even the most sanguine friends of the college.

**COLLEGIAN SUITS**

If a Pure Clothes Law should be passed and Pure Clothes Inspectors appointed by the Government, special honorable mention would be given to the :

Moreover, if such laws required the strictest sanitary precautions on the part of the makers, and prescribed a high standard of quality for linings and cloths, and called for a certain grade of Tailoring for garments at each price, from the lowest to the highest, we would be found to exceed requirements in every particular.

**SINGLE and DOUBLE-BREADED STYLES**
