

Polk County Observer

J. C. HAYTER, EDITOR AND PUBLISHER. Published Weekly and Semi-Weekly at \$1.50 per Year. Strictly in Advance. DALLAS, OREGON, JUNE 11, 1907.

The way to build up Dallas is to patronize Dallas people.

Dallas is just now receiving many nice compliments in the newspapers of Oregon for having subscribed \$1100 in a single day for a Fourth of July celebration.

The Sunday Oregonian says editorially: "Dallas College has just completed the most successful year in the long history of its educational endeavor."

The Dallas public school made an excellent showing in the county eighth grade examinations. Out of nineteen applicants examined, thirteen made their grades.

TOWN THAT DOES THINGS.

The enterprising citizens of our neighbor town, Dallas, have subscribed a fund of \$1000 to be used in the celebration of the Nation's birthday.

Your Blood

Needs purifying and your whole system renovating in the spring, as pimples, boils, eruptions, loss of appetite and that tired feeling annually prove.

Hood's Sarsaparilla is the most effective medicine ever devised for the complete purification of the blood and the complete renovation of the whole system.

It will make you feel better, look better, eat and sleep better and give you the best possible preparation for the hot days of summer, as over 40,000 people have testified in the last two years.

Hood's Sarsaparilla

Usual form, liquid, or in tablet form, called Sarsatabs, 100 Doses \$1. GUARANTEED under the Food and Drugs Act, June 30, 1906. No. 324.

ORATOR IS CHOSEN

Judge H. L. Benson, of Klamath Falls, Will Speak in Dallas, July 4.

Judge Henry L. Benson, of Klamath Falls, will deliver the oration in Dallas on July 4. Senator U. S. Loughary and Oscar Hayter, the committee appointed to secure a speaker for the big celebration, extended the invitation to Judge Benson, Saturday, and were greatly pleased when he consented to come.

Judge Benson is one of the most eloquent and entertaining speakers in the state, and his Fourth of July address will be one of the prominent features of the day in Dallas. The Judge was making arrangements to return to his home in Klamath Falls, but has decided to remain in Salem until the Fourth.

Cures Woman's Weaknesses.

We refer to that boon to weak, nervous, suffering women known as Dr. Pierce's Favorite Prescription. Dr. John Eyle one of the Editorial Staff of THE ELECTRIC MEDICAL REVIEW says of Unicorn root (Helonias Dioica) which is one of the chief ingredients of the "Favorite Prescription" which invariably acts as a uterine invigorator... "A remedy which more fully answers the above purposes than any other drug with which I am acquainted. In the treatment of diseases peculiar to women it is seldom that a case is cured which does not present some indication for this remedial agent." Dr. Eyle further says: "The following are among the leading indications for Helonias (Unicorn root). Pain or aching in the back, with leucorrhoea; or a weak condition of the reproductive organs of women; constant depression and irritability, associated with chronic diseases of the reproductive organs of women; constant sensation of heat in the region of the uterus; menorrhagia (flooding), due to a weakened condition of the reproductive system; amenorrhoea (suppressed or absent monthly periods), arising from or accompanying an abnormal condition of the digestive organs and aemic (thin blood) habit; dragging sensations in the extreme lower part of the abdomen."

If more or less of the above symptoms are present, Dr. Pierce's Favorite Prescription will cure them. Dr. Pierce's Favorite Prescription, one of the leading ingredients of which is Unicorn root, or Helonias, and the medicinal properties of which it most faithfully represents. Of Golden Seal root, another prominent ingredient of "Favorite Prescription," Prof. Finley Ellingwood, M. D., of Benedict Medical College, Chicago, says: "It is an important remedy in disorders of the womb. In all catarrhal conditions and general debility, it is useful." Prof. John M. Scudder, M. D., late of Cincinnati, says of Golden Seal root: "In relation to its general effects on the system, there is no medicine in use about which there is such general unanimity of opinion. It is universally regarded as the tonic useful in all debilitated states." Prof. R. Bartholow, M. D., of Jefferson Medical College, says of Golden Seal: "Valuable in uterine hemorrhage, menorrhagia (flooding) and congestive dysmenorrhoea (painful menstruation)." Dr. Pierce's Favorite Prescription faithfully represents all the above named ingredients and cures the diseases for which they are recommended.
