**J. C. HAYTER,**  
 EDITOR AND PUBLISHER.  
 Published Weekly and Semi-Weekly at  
 \$1.50 per Year. Strictly in Advance.  
 DALLAS, OREGON, JUNE 28, 1907.  
 The way to build up Dallas is to pat-  
 rize Dallas people.

Between the rabid ones who demand conviction in spite of everything, the equally rabid ones who are shouting for either an acquittal or a fight, and the cool-headed citizens who ask for a just decision, without fear and without favor, the Haywood jury has doubtless found out what it feels like to get thoroughly in between the devil and the deep sea.

The way fruit packers from other states have stepped in and begun to buy Oregon fruit at top prices puts it up to the Cannery Trust either to do likewise or pack no fruit this year. Willamette Valley fruit raisers need have no fear that prices on their products will be beaten down this year. On the contrary, highly profitable figures may be expected.

Fifty-eight dwelling houses have been built in Dallas since January 1; ten are now in process of construction; strangers are coming to town every day, inquiring for houses and seeking places to locate; the sawmills are asking vainly for more men; every incoming freight train brings a long line of empty cars, and every outgoing train draws those cars away, loaded. All this, in language more eloquent than that of tongue or pen, tells of a sure and rapid growth.

THE OBSERVER pays no attention to requests for sample copies sent in on postal cards. In 16 years of newspaper experience, we have never received a subscription from one of these postal card applicants. A man who is not sufficiently interested in Dallas and Polk county to send a sealed request for copies of the local papers, at the same time enclosing stamps for return postage, is entitled to no favors at the hands of the publishers. We are not sure that these penny postal card chaps are the kind of people Polk county wants, anyhow.

**MAHLON GUY IS DEAD**

Old-Time Resident Passes Away at His Home in Dallas, Aged 82 Years.

Mahlon Guy, an old and respected resident of Polk county, died at his home in Dallas, Wednesday morning, at 12:30 o'clock, after an illness of several weeks.

Mr. Guy was born in Columbia county, Ohio, March 19, 1825. In 1847 he married Cynthia Henry, who died six years later. To this union were born four children—Eljab, Mary Elizabeth, Thomas and John. The first two named are now dead.

In 1857 he married Mary Crawford, who survives him. Nine children were born to this marriage—William, Maggie, George, Rosetta, Cynthia, Harriett, Charles, Newton and Bertie. The survivors are Maggie, Charles, Newton and Bertie.

The family came to Oregon in 1875 and settled in Salem. A short time afterward they moved to Dallas, where they have since lived.

Mr. Guy was an honest, industrious man, and enjoyed the respect of all who knew him. In his death, Polk county loses a good citizen.

The funeral was held from the family home yesterday afternoon and was largely attended. Burial took place in the Odd Fellows' cemetery.

**Fifty Cent Lecture for Ten Cents.** Where? At the Christian Tabernacle this (Friday) evening at 8 o'clock. I have heard this lecture by Dr. Martin and speak advisedly. But what is the subject of the lecture? Marriage and Divorce. Everybody should hear it—young or old, married or single. Any community is the better for hearing such a lecture. The proceeds go to the church. You take no chances. This evening at Tabernacle. Come.

A. C. CORBIN.

Don't fail to attend the races at the Independence track today and tomorrow. Some of the best horses on the coast are entered for the several events.

**Spring Medicine**

The best is Hood's Sarsaparilla. It is the best because it does the most good. While it makes the blood pure, fresh and lively, it tones the stomach to better digestion, creates an appetite, stimulates the kidneys and liver, gives new brain, nerve and digestive strength.

An unequalled list of cures—40,366 testimonials in two years—proves its merit.

**Sarsaparilla**—For those who prefer medicine in tablet form, Hood's Sarsaparilla is now put up in chocolate tablets called Sarsatabs, as well as in the usual liquid form. Sarsatabs have identical the same curative properties as the liquid form, besides accuracy of dose, convenience, economy, there being no loss by evaporation, breakage, or leakage. Sold by druggists or sent by mail, C. I. Hood Co., Lowell, Mass.

GUARANTEED under the Food and Drugs Act, June 30, 1906. No. 324.

**SILVER ANNIVERSARY**

Closing of Normal's Twenty-Fifth Year Will Be Celebrated Tomorrow.

The Quarter Centennial Anniversary of the Oregon State Normal School, to be held in Monmouth tomorrow, promises to be the crowning event of a highly successful and enjoyable commencement week. The old graduates, among them many men prominent in the affairs of the state, will assemble and take part in a program arranged in honor of the successful closing of the 25th year of the school.

Among the speakers on the program are: President E. D. Ressler, Federal Judge C. E. Wolverton, Judge N. L. Butler, President P. L. Campbell, Judge George H. Burnett and Regent A. Noltner. A pleasing feature of the exercises will be the presentation of an oil painting of P. L. Campbell, for many years the efficient President of the school. The musical numbers will be of a high order of excellence.

The State Normal is closing a highly successful year's work, and the interest and enthusiasm shown by the faculty, students, graduates and friends of the school promise still better days for Oregon's parent Normal.

**QUIET JUNE WEDDING**

Miss Esther Savage Becomes the Bride of Mr. Frank Fawk.

Mr. Frank Fawk and Miss Esther Savage were married at the home of Mr. and Mrs. A. A. Winter, in Portland, Wednesday, the Rev. Winter pronouncing the ceremony. The wedding was a quiet affair, only a few friends of the young couple being present. The bride was handsomely gowned in white and carried a bouquet of white carnations.

After the ceremony, the bride and groom started on their wedding journey into British Columbia, speeded on their way by the good wishes of their assembled friends.

Mrs. Fawk is a daughter of Mrs. Mary Savage, of this city, and was for many years a popular teacher in the schools of the county. She has many friends, by all of whom she is held in the highest esteem. Mr. Fawk is one of Polk county's progressive and prosperous farmers, and is a young man of ability and promise. In 1905 he creditably represented the county in the lower house of the Oregon Legislature.

After their return from their wedding journey, Mr. and Mrs. Fawk will begin housekeeping on their large farm near Oak Grove.

**No Balloon Ascension.** The only feature advertised on the Dallas Fourth of July posters that will not be on the program is the balloon ascension. At the time the posters were printed the committee felt assured that they could secure a balloonist for that day, but it has since been learned that no balloon can be had. Everything else, such as the three brass bands, four baseball teams, etc., have been engaged as advertised. The money set aside for the balloon ascension will be spent for other first-class amusements. Dallas is entertaining her good friends and neighbors on this occasion and desires to keep faith with them by providing every attraction advertised. Failing to secure a balloon ascension, this word of explanation is due to those who are coming to enjoy with us the biggest celebration ever held in Polk county.

The ladies of the Baptist church will serve ice cream on Mrs. Hallock's lawn, July 3 and 4.

Rice Cook, of Portland, and Miss Alma Jones, of Perrydale, were married at the Hotel Gail, Wednesday, Rev. A. C. Corbin officiating.

John Campbell, a well known farmer living near Ballston, died Tuesday night at nine o'clock. Mr. Campbell had been suffering for some time from inflammation of the bowels, and his death was not unexpected.

**Electricity for Lighting**

Is only expensive to people who are wasteful and careless. To you, who are naturally careful, it does not come high.

It is economical because it can be quickly turned off when not needed. With gas or kerosene there is the temptation to let light burn when not needed to save bother of lighting and adjusting. In some homes the electric light bills amount to only one or two dollars per month. You can probably get some kind of artificial light for less money than electric light, but does it save you anything when it limits opportunities for work and recreation—ruins your eyesight—smokes your walls—mars decorations and increases household work. You could probably save a dollar tomorrow by going without your meals but it wouldn't be economy. It is not so much what you save, but how you save that counts.

WILLAMETTE VALLEY CO. RATES—Residence on meters, per Kilowatt 15c; Residence, flat per month, 16c per 50c. RATES FOR BUSINESS HOUSES—25c per drop and 5c per Kilowatt up to 10 drops; over 10 drops 20c per drop and 5c per Kilowatt up to 40 drops; over 40 drops 17c per drop and 5c per Kilowatt. A drop figures 16c or less. For power rates apply at the office. **A Bold Step.**

To overcome the well-grounded and reasonable objections of the more intelligent to the use of secret, medicinal compounds, Dr. E. V. Pierce, of Buffalo, N. Y., some time ago, decided to make a bold departure from the usual course pursued by the makers of put-up medicines for domestic use, and so has published broad-cast and openly to the whole world, a full and complete list of all the ingredients entering into the composition of his widely celebrated medicines. Thus he has taken his numerous patrons and patients into his full confidence. Thus too he has removed his medicines from among secret nostrums of doubtful merits, and made them **Chemicals of Known Composition.**

By this bold step Dr. Pierce has shown that his formulas are of such excellence that he is not afraid to subject them to the public scrutiny. Not only does the wrapper of every bottle of Dr. Pierce's Golden Medical Discovery, the famous medicine for weak stomach, rapid liver or biliousness and all catarrhal diseases wherever located, have the name of its plain English, a full and complete list of all the ingredients composing it, but a small book has been compiled from numerous standard medical works, of all the different schools of practice, containing very numerous extracts from the writings of leading practitioners of medicine, endorsing in the strongest possible terms, each and every ingredient contained in Dr. Pierce's medicines. One of these little books will be mailed free to any one sending address on postal card or by letter to Dr. E. V. Pierce, Buffalo, N. Y., and requesting the same. From this little book it will be learned that Dr. Pierce's medicines contain no alcohol, narcotics, mineral agents or other poisonous or injurious agents and that they are made from pure, medicinal roots of great value; also that some of the most valuable ingredients contained in Dr. Pierce's Favorite Prescription for weak, nervous, over-worked, "run-down," nervous and debilitated women, were employed long years ago by the Indians for similar ailments affecting their squaws. In fact, one of the most valuable medicinal plants entering into the composition of Dr. Pierce's Favorite Prescription, was known to the Indians as "Square-wood." Our knowledge of the uses of not a few of our most valuable native medicinal plants was gained from the Indians. As made up by improved and exact processes, the "Favorite Prescription" is a most efficient remedy for regulating all the womanly functions, correcting displacements, as prolapsus, anteversion and retroversion, overcoming painful periods, inducing the menses and bringing about a perfect state of health. Sold by all dealers in medicines.
