Friday morning's train coupled on two extra cars for the accommodation of the throng of people making their exodus after the celebration. From their conversation and general good nature, it was evident that not one went away dissatisfied.

Belt & Cherrington's drug store was decorated for the celebration in a most unique and comical manner. The show window was laid off in a miniature baseball field, with bleachers and diamond. A grotesque band of brownies was placed in the field and little grandstand, each labeled with the name of the person it was supposed to represent. A toy auto was stationed on the side lines with a brownie at the steering wheel, supposed to represent R. E. Williams and his new runabout. The poses of the various figures were laughable take-offs on the persons they were intended to represent, and the display provoked smiles from everyone who observed it during the celebration.

SUMMER EXCURSION RATES

Special Rates and Train Service to Newport For Season of 1907 on C. & E. Railroad.

Hotels, resorts and attractions at Newport are now open for the season, and indications all point to this famous Oregon "Coast Resort" being more popular this season than ever before.

A decided innovation, bound to be a source of great satisfaction to visitors and add greatly to the popularity of this fast-moving only "Oregon Coast Resort," will be the opening on July 3rd of the "Newport Theatre," for the summer season by a "High class Stock Company," made up of some of the best stock actors on the Coast, to include various members of the well known "Baker Theatre Stock Company," of Portland. A series of the best stock plays available will be produced during the season with frequent change of bill.

About July 1st, there will be opened to the public one of the largest and best equipped Skating Rinks in the Northwest, containing 12,000 square feet of floor space. The rink will be open continuously day and evening, except during bathing hours.

These two attractions will divide honors with visitors in filling a long felt want for some place to while away the evenings after the close of outdoor attractions.

This Company, as well as the Southern Pacific Company and Oregon Railroad & Navigation Company, have now on sale season tickets to Newport from all points in Oregon at greatly reduced rates. These tickets can be purchased daily and are good for return until October 10th, 1907.

In addition to season tickets, this Company and the Southern Pacific Company have placed on sale at reduced rates popular week-end three day tickets, good from Saturday to Monday, for the benefit of those who cannot advantageously use season tickets, but who desire to make frequent short interval trips to the "Beach during" the season.

This Company will also, commencing Sunday, June 16, provide special "Sunday Excursion" trains from Albany to Newport and return, and have on sale one-day excursion tickets at reduced rates for this train.

Passengers holding season or three-day tickets mentioned, can travel going or returning on Sunday Excursion trains.

For information relative to rates, trains, etc., see tariffs on file at stations for public inspection, or refer to any agent of Corvallis & Eastern R. R. Company, Southern Pacific Company or Oregon Railroad & Navigation Company.
