BODY FOUND IN RIVER

Stepson of Henry Patterson Meets Death by Drowning.

The body of Harold Long, the 18-year-old son of Mrs. H. R. Patterson, of Portland, who was drowned in the Columbia river about two weeks ago, was brought to this city yesterday afternoon by his mother and stepfather, who went to St. Helens for the purpose of identifying the remains.

Young Long left Washougal, Wash., in a 16-foot canoe the evening of June 18. He expected to paddle to Portland and to reach this city the next day. When the young man failed to put in his appearance his relatives became anxious and started a search.

Two days later his boat was found at the head of Sanvie's Island and in it was his coat. The boat was right side up and had drifted ashore. No trace was found of the missing lad until Sunday night, when two brothers named Scott found the badly decomposed body near the ranch of Antone Barber on Willamette Slough about seven miles from St. Helens.

The young man was a nephew of Captain L. B. Hosford of the river steamer Jessie Harkins, and the latter has been indefatigable in his search for the missing lad.

The body is supposed to be the fender reported sighted by Captain Harry Emken, who saw it while piloting the steamship Mathilda up the river Saturday. The body was taken to the undertaking establishment of J. P. Finley & Son, where the funeral will be held today at noon.—Oregonian

GOOD WORK

Done Daily in Dallas.

Nearly every reader has heard of Doan's Kidney Pills. Their good work still continues, and our citizens are constantly adding endorsement by public testimony. No better proof of merit can be had than the experience of friends and neighbors. Read this case: Mrs. N. Swaggert, of 819 Garden St., Pendleton, Ore., says: "Both my husband and myself have used Doan's Kidney Pills with most gratifying results. Mr. Swaggert was troubled quite severely with his back and kidneys for a long time, and nothing ever helped him as Doan's Kidney Pills have. I have known of the healing and curative power of this remedy for some time, and found that a few doses would quickly remove any lameness or pain in the back caused by kidney derangement. I am glad to help make Doan's Kidney Pills better known to all afflicted with backache or kidney trouble."
