

Polk County Observer

J. C. HAYTER, EDITOR AND PUBLISHER. Published Weekly and Semi-Weekly at \$1.50 per Year. Strictly in Advance. DALLAS, OREGON, AUGUST 2, 1907.

The way to build up Dallas is to patronize Dallas people.

Oregon has a few hot days in summer, but the heat is not of the kind that kills. Although the thermometer climbed up to the 100-mark in many places in the state Tuesday afternoon, no prostrations were reported, and laboring men pursued their usual tasks without suffering serious inconvenience.

Every newspaper publisher in Oregon should plan to attend the annual session of the Oregon Press Association, to be held at Seaside the last week in August. A program of unusual interest will be prepared, and the discussion of topics of interest to the trade will prove helpful to every publisher and printer.

The action of the Woodmen Head Camp convention in raising the insurance rates of the old members to correspond with the rates paid by new members is "meet with equity and good conscience," as the lawyers would put it. The mere fact that a mistake was made and the rates placed too low in the first place was not a sufficient excuse for continuing the low rates to the old members and taxing the new members to make up the deficiency.

Ray Ramsey received a severe cut on his head by diving against a sharp rock, while swimming in the pool below the mill dam, Tuesday evening.

Spring Medicine

The best is Hood's Sarsaparilla. It is the best because it does the most good. While it makes the blood pure, fresh and lively, it tones the stomach to better digestion, creates an appetite, stimulates the kidneys and liver, gives new brain, nerve and digestive strength.

An unequalled list of cures—40,366 testimonials in two years—proves its merit. Sarsaparilla—For those who prefer medicine in tablet form, Hood's Sarsaparilla is now put up in convenient tablets called Sarsapars, as well as in the usual liquid form.

August Risser will succeed I. N. Woods as bookkeeper in the Dallas National Bank. August is a worthy young man, and his many friends will be glad to hear of his promotion.

Joseph Brown, of Lewisville, purchased Mrs. Lydia D'Lashmuth's property this week and will move his family to town. Mrs. D'Lashmuth will probably build herself a neat cottage.

During the month of July, 1908 calls were made at the Dallas Free Library, and 457 books were loaned, of which 360 were fiction, 18 non-fiction, and 79 juvenile. Seven new borrowers' cards were also issued.

Electricity for Lighting

Is only expensive to people who are wasteful and careless. To you, who are naturally careful, it does not come high.

It is economical because it can be quickly turned off when not needed. With gas or kerosene there is the temptation to let light burn when not needed to save bother of lighting and adjusting.

DOCTORS MISTAKES

Are often told to be buried six feet under ground. But many times women call on their family physicians, suffering, as they imagine, one from dyspepsia, another from heart disease, another from liver or kidney disease, another from nervous prostration, another with pain here and there, and in this way they present alike to themselves and their easy-going or over-busy doctor, separate diseases, for which he prescribes separate remedies. In reality, they are all only symptoms caused by some uterine disease. The physician, ignorant of the cause of suffering, keeps up the treatment until large bills are made. The cause would have been cured by the use of Dr. Pierce's Favorite Prescription. The cause would have been cured by the use of Dr. Pierce's Favorite Prescription.
