EDITOR AND PUBLISHER.

DALLAS, OREGON, AUGUST 16, 1907.

The way to build up Dallas is to patronize Dallas people.

To see a woman fondling and kissing a dirty little poodle dog is bad enough, but the sight of a full-grown female gadding up the street with a Teddy bear hugged to her bosom is about the limit. Fortunately, Dallas has no such.

The grain harvest will soon be completed in Polk county, and attention will then be turned to the hop yards and prune orchards. With a good yield of all kinds of agricultural and horticultural products, the farmers of western Oregon will see a continuation of prosperous times this fall.

Residents of Dallas who have long wished for better streets, are in a fair way to see their fondest hopes realized. The council is in earnest on the rock-crusher proposition this time, and is proceeding in a business-like way to carry out the wishes of the voters for improved streets, as expressed in no uncertain terms at the last city election.

Attention is called to the advertisement of the Falls City Hospital, printed elsewhere in this paper. The hospital is now open for patients, and is receiving a good patronage from the people of western Polk county. The equipment is complete, and the building is a credit to the town in which it is located. Doctors Pfandhofer and Wolfe have a hospital of which any community might feel proud, and are deserving of much success for their enterprise.

### MRS. SARAH SYRON DEAD

Passes Away in Salem After Long Illness, Aged 57 Years.

Mrs. Sarah E. Syron, wife of Daniel Syron, died in the hospital for the insane at Salem, Oregon, Tuesday, August 13, after a long illness. The body was brought to Dallas, Tuesday afternoon, and was buried Wednesday afternoon, the Rev. D. M. Metzger conducting the funeral services.

Mrs. Syron was born in Iowa, April 2, 1850. She came to Oregon in 1884, and had lived in the Willamette Valley continuously since that time, with the exception of a few years spent in the Umpqua Valley. A few months ago her mind became enfeebled by disease and she was committed to the asylum. She is survived by her aged husband; three sons, Charles, Marion and Frank Syron, and one daughter, Della Syron, all of Dallas.

Mrs. Syron was a good woman, and was well liked by her neighbors. Her interest was centered in her home life, where she lived happily with her husband and children until stricken by her incurable malady. Her death will be sincerely mourned by many friends.

### Bonham-Ruddick.

Miss May Ruddick and Mr. A. J. Bonham were married at the home of the bride's parents in Dallas, Wednesday evening, the Rev. D. Julian Becker, pastor of the First Presbyterian church, officiating. About twenty-five friends of the bride were present, and many gifts, mostly of silverware, were bestowed upon the young couple. Mr. and Mrs. Bonham left yesterday for Kootenai, Idaho, where he is the principal of the high school.

### Ready For Business.

E. A. Hamilton, manager of the Townsend creamery, which is being installed in Dallas, announces that he will be ready to receive cream either today or tomorrow. The most of the machinery has arrived and is being set up, but the work has been somewhat hampered by a delay in the shipment of parts of the churn. The entire plant will be run by electricity. Mr. Hamilton considers this power much waster and cleaner than steam or gasoline, since it occupies less space and less grease is necessary.

J. H. Hollister is improving from his recent severe illness.

Charles Campbell is building a large addition to his dwelling house on Levens street.

Mrs. L. Gerligger, Jr., and Miss May Anderson returned last night from a visit to Portland.

Mrs. Belle Dalton and little son, of Portland, are visiting her brothers, George, Louis and Edward, in Dallas.

R. McLennan, chief clerk of the Dallas & Falls City railroad, was a business visitor in Falls City, Wednesday.

## EVENTFUL LIFE ENDED

Robert Glaze, a Former Polk County Boy, Dies in California.

Robert Glaze, a former resident of Polk county and a son of the late Reuben Glaze, died in the state prison hospital at San Quentin, California, a few days ago, after an illness of several months duration. The body was turned over to his sister, Mrs. Cora Chamberlain, of Aberdeen, Wash., and was buried at San Rafael.

Although a comparatively young man, Robert had led an eventful life, a life in which there was much of tragedy and sorrow. While a mere boy, he went from Dallas to Tacoma, Wash., and secured employment in the Hotel Pife, then the leading hotel of that city. A few years later he went to New Zealand, where he became manager of a large hotel in the city of Auckland. He remained in that country several years and then returned to San Francisco to become chief clerk of the Baldwin hotel. Later, in partnership with a San Francisco man, he leased that well-known hotel, and conducted it with great success for several years. One fatal day he became involved in a quarrel with his partner, and in the heat of the row, drew a pistol and shot him dead. He was arrested, and, after a long trial, in which it was proved that there were many mitigating circumstances in his favor, he was sentenced to life imprisonment. He was confined in the penitentiary at San Quentin, where he proved a model prisoner, being well liked by the officers and the inmates of that institution. He was a member of the Catholic church.

Robert was a young man of fine social qualities, and is kindly remembered by the friends of his boyhood days. The family of which he was a member, and which was prominent in the pioneer days of Polk county, has only two surviving members—Matthew Glaze, of Buell, and Mrs. Cora Chamberlain, of Aberdeen, Wash.

## The Badge of Honesty

It is on every wrapper of Doctor Pierce's Golden Medical Discovery because a full list of the ingredients composing it is printed there in plain English. Forty years of experience has proven its superior worth as a blood purifier and invigorating tonic for the cure of stomach disorders and all liver ills. It builds up the run-down system as no other tonic can in which alcohol is used. The active medicinal principles of native roots such as Golden Seal and Queen's root, Stone and Mandrake root, Bloodroot and Black Cherry bark are extracted and preserved by the use of chemically pure, triple-refined glycerine. Send to Dr. R. V. Pierce at Buffalo, N. Y., for free booklet which quotes extracts from well-recognized medical authorities such as Drs. Bartholow, King, Scudder, Coe, Ellingwood and a host of others, showing that these roots can be depended upon for their curative action in all weak states of the stomach, accompanied by indigestion or dyspepsia as well as in all bilious or liver complaints and in "wasting diseases" where there is loss of flesh and gradual running down of strength and system.

The "Golden Medical Discovery" makes rich, pure blood and so invigorates and regulates the stomach, liver and bowels, and through them, the whole system. Thus all skin affections, blotches, pimples and eruptions as well as scrofulous swellings and old open running sores or ulcers are cured and healed. In treating old running sores, or ulcers, it is well to insure their healing by applying to them Dr. Pierce's All-Healing Salve. If your druggist don't happen to have this Salve in stock, send fifty-four cents in postage stamps to Dr. R. V. Pierce, Invalids' Hotel and Surgical Institute, Buffalo, N. Y., and a large box of the "All-Healing Salve" will reach you by return post. You can't afford to accept a secret nostrum as a substitute for this non-alcoholic, medicine of known composition, not even though the urgent dealer may thereby make a little larger profit. Dr. Pierce's Pleasant Pelets regulate and invigorate stomach, liver and bowels. Sugar-coated, tiny granules, easy to take as candy.

## Electricity for Lighting

Is only expensive to people who are wasteful and careless. To you, who are naturally careful, it does not come high.

It is economical because it can be quickly turned off when not needed. With gas or kerosene there is the temptation to let light burn when not needed to save bother of lighting and adjusting. In some homes the electric light bills amount to only one or two dollars per month. You can probably get some kind of artificial light for less money than electric light, but does it save you anything when it limits opportunities for work and recreation—ruins your eyesight—smokes your walls—mars decorations and increases household work. You could probably save a dollar tomorrow by going without your meals, but it wouldn't be economy. It is not so much what you save, but how you save that counts.

WILLAMETTE VALLEY CO. RATES—Residence on meters, per Kilowatt 15c; Residence, flat per month, 16c per 50c. A drop figures 18c or less. For power rates apply at the office.
