Electricity for Lighting

Is only expensive to people who are wasteful and careless. To you, who are naturally careful, it does not come high.

It is economical because it can be quickly turned off when not needed. With gas or kerosene there is the temptation to let light burn when not needed to save bother of lighting and adjusting. In some homes the electric light bills amount to only one or two dollars per month. You can probably get some kind of artificial light for less money than electric light, but does it save you anything when it limits opportunities for work and recreation—ruins your eyesight—smokes your walls—mars decorations and increases household work. You could probably save a dollar tomorrow by going without your lights, but it wouldn't be economy. It is not so much what you save, but how you save that counts.

Laxative Bromo-Quinine Tablets

The remedy that cures a cold in one day

The Royal Month and the Royal Disease.

Sudden changes of weather are especially trying, and probably to none more so than to the scrofulous and consumptive. The progress of scrofula during a normal October is commonly great. We never think of scrofula—its bunches, eruptions, and wasting of the bodily substance—with out thinking of the great good many sufferers from it have derived from Hood's Sarsaparilla, whose radical and permanent cures of this disease are enough to make it the most famous medicine in the world. There is probably not a city or town where Hood's Sarsaparilla has not proved its merit in more homes than one, in arresting and completely eradicating scrofula, which is almost as serious and as much to be feared as its near relative, consumption.

Out of Sight.

"Out of sight, out of mind," is an old saying which applies with special force to a sore, burn or wound that has been treated with Bucklen's Arnica Salve. It's out of sight, out of mind and out of existence. Piles too and debilitating diseases, under its healing influence, disappear. It is sold by all Druggists, 25c.

Sallowness Transforms to Dusky Beauty

A dark skin becomes fascinating when delicately well, unimpeded with radiant glow which indicates healthy, active skin. Robertsine keeps the skin refined in quality, keeps pores free from clogging waste, contributes to the fine grain, soft, blonde and beautiful skin. Robertsine is certain protection against tan, sunburn and freckles if applied before exposure to sun or wind. Spreads like an impervious sheen above over skin surface, forming a shield stimulating and preserving a delicate, lustrous beauty.
