Coad says that no sessions can be held, and no claims nor salaries allowed until after the cessation of these holidays, but that the Court will probably convene immediately at their close.

A box of fine grapes was left at the Observer office yesterday morning by Mrs. M. J. Cospser. The vine on which they were grown is over 30 years old, and has spread from its arbor into the adjoining fruit trees, to a distance of fully 100 feet. It is claimed that the vine bore fully a ton of fruit this year, and any one who will look at its enormous size can have little reason to doubt this. Messrs. Kerslake and White received a telegram Wednesday evening, announcing that the electric organ that they ordered several months ago for their skating rink, was in Portland and would be shipped to Dallas at once. The long delay was occasioned by the flood of orders that had poured in upon the company building these organs, faster than they could be filled.

Mr. and Mrs. E. C. Kirkpatrick received a telegram Wednesday evening, announcing the serious illness of Mr. Kirkpatrick's father, Dr. J. E. Kirkpatrick, of Los Angeles. Immediately upon its arrival, Tuesday, the road roller was unloaded and taken to the west end of Court street, to be put at work on the new grade at that place. Under the influence of Fall rains and the constant traffic, the loose soil at this place was cut up into a perfect bog, but two days use of the new machine has reduced it almost to the smooth solidity of an asphalt pavement.

Telephone Gossip.

"Do you know whether the new Feed Store is doing much business?"

"Yes. I hear quite a good deal, but I understand Mr. Moore is cutting prices."

Such was the tenor of conversation by phone the other day between two business men. But let me say right here and now that the New Feed Store is not cutting prices, but selling goods at reasonable prices, giving patrons a square deal; thus receiving patronage by being content with living profits — and I will give the public the assurance that I will continue to do business on that basis. Yours for a square deal.

DALLAS COLLEGE NOTES

Prominent Officer of Y. W. C. A. Visits Local Organization and Delivers Address.

Miss M. E. Ross, of Los Angeles, Traveling Secretary of the Y. W. C. A., paid an official visit to the Dallas College branch of that organization this week.

The members of the Y. W. C. A. cabinet entertained the girls of the college in honor of Miss Ross, at the home of E. N. Hall, Wednesday night. A pleasant impromptu program, consisting of music and recitations, was rendered, and Miss Ross spoke in a very interesting manner of the work of the Y. W. C. A., and what that organization means to girls in college, to working girls and girls in foreign lands.

Instead of going to the chapel exercises yesterday morning, the girls of the college assembled in the Y. W. C. A. room for missionary service conducted by their traveling secretary. The subject was Japanese missions, and Miss Ross presented the subject in a way that appealed strongly to every girl in her audience.

An English Author Wrote:

"No shade, no shine, no fruit, no flowers, no leaves—November!" Many Americans would add no freedom from catarrh, which is so aggravated during this month that it becomes constantly troublesome. There is abundant proof that catarrh is a constitutional disease. It is related to scrofula and consumption, being one of the wasting diseases. Hood's Sarsaparilla has shown that what is capable of eradicating scrofula, completely cures catarrh, and taken in time prevents consumption. We cannot see how any sufferer can put off taking this medicine, in view of the widely published record of its radical and permanent cures. It is undoubtedly America's Greatest Medicine—Catarrh.

It is still selling goods less than other stores can buy them. You can be easily convinced of this by investigating. While we have had an enormous business, still there are lots of goods left. Further, anything we do not have in stock, will make special order for you, you pay the wholesale cost and freight. Look for this week's papers for prices.
