

CURE YOUR KIDNEYS

Why will people continue to suffer the agonies of kidney complaint, backache, urinary disorders, lameness, headaches, languor. Why allow themselves to become chronic invalids, when a certain cure is offered them?

Doan's Kidney Pills is the remedy to use, because it gives to the kidneys the help they need to perform their work.

If you have any, even one, of the symptoms of kidney disease, cure your self now, before diabetes, dropsy or Bright's disease sets in.

Mrs. L. Hodson, of 717 Auro St., Henderson, Ore., says: "I just as enthusiastically endorse Doan's Kidney Pills today as I did nearly three years ago. They relieved me of kidney trouble which had bothered me for a considerable time. There was aching pains across the small of my back and down through my kidneys, which were aggravated by colds which settled in the back and lungs and caused a neural lameness. This was my condition when I began taking Doan's Kidney Pills. This remedy finished the backache and pain through the lungs, regulated the kidney secretions and removed every symptom of the trouble. From that day to this there has been no recurrence, and I give Doan's Kidney Pills all the credit. I consider them to be the best kidney remedy procurable and recommend them whenever the occasion arises."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States.

Coddling the Stomach.

Do not pamper the children with household methods; there is a common-sense method. If the children or the man or woman show a tendency to "off their feed," if they begin to lose flesh, their stomachs should be toned up with a harmless tonic which will increase the secretions of the digestive tract. A tonic made of native medicinal roots which will invigorate the stomach into greater activity and increase the secretion of the phosphates from the food—a remedy which will do this is one which has stood the test of public approval for nearly forty years, and contains no alcohol or narcotics. We refer to Dr. Pierce's Golden Medical Discovery. It can be given to the smallest child with perfect freedom. If the blood is impure, if pimples, boils, headaches occur, if the stomach is weak—first eradicate the poison from the blood.

AN ILLUSTRATION OF PIERCE'S METHOD of restoring waste of tissue and impoverishment of the blood and nervous force is used when you take an alternative extract of native roots, made without the use of alcohol, like Dr. Pierce's Golden Medical Discovery. This vegetable medicine cures the digestive functions and helps in the assimilation of food, or rather takes from the food just the nutriment the blood requires.

Along with its use one should take exercise in the outdoor air, get all one can of God's sunlight and air; practice a deep breathing exercise every day. This "Medical Discovery" gives no false stimulation, because it does not contain alcohol or a narcotic. It helps digestion and the assimilation of such elements in the food as are required for the blood. Unlike a cod liver oil, against which the already sensitive stomach will declare open rebellion, this tonic has a purifying action upon the sensitive stomach and gives to the blood the food elements the tissues require. It maintains one's nutrition by enabling him to eat, retain, digest and assimilate nutritious food. It overcomes gastric irritability and symptoms of indigestion, and, in this way, fever, night-sweats, headaches, etc., are done away with.

Dr. Pierce's Golden Medical Discovery purifies the blood and entirely eradicates the poisons that breed and feed disease. It thus cures scrofula, eczema, erysipelas, boils, pimples, and other eruptions that mar and scar the skin. Pure blood is essential to good health. The weak, run-down, debilitated condition which so many people experience is commonly the effect of impure blood. Dr. Pierce's Golden Medical Discovery not only cleanses the blood of impurities, but it increases the activity of the blood-making glands and it enriches the body with an abundant supply of pure, rich blood.

A consideration of its general effects on the system, there is no medicine in use about which there is such general unanimity of opinion. It is unconditionally regarded as the tonic useful in all debilitated states.

Concerning Bloodroot The American Dispensary says: "Stimulates digestive organs, increases action of heart and arteries—stimulant and tonic. Very valuable as a cough remedy—acts as a sedative—further valuable as an alterative."

It maintains one's nutrition by enabling him to eat, retain, digest and assimilate nutritious food. It overcomes gastric irritability and symptoms of indigestion, and, in this way, fever, night-sweats, headaches, etc., are done away with.

Dr. Pierce's Golden Medical Discovery purifies the blood and entirely eradicates the poisons that breed and feed disease. It thus cures scrofula, eczema, erysipelas, boils, pimples, and other eruptions that mar and scar the skin. Pure blood is essential to good health. The weak, run-down, debilitated condition which so many people experience is commonly the effect of impure blood. Dr. Pierce's Golden Medical Discovery not only cleanses the blood of impurities, but it increases the activity of the blood-making glands and it enriches the body with an abundant supply of pure, rich blood.

A consideration of its general effects on the system, there is no medicine in use about which there is such general unanimity of opinion. It is unconditionally regarded as the tonic useful in all debilitated states."

Concerning Bloodroot The American Dispensary says: "Stimulates digestive organs, increases action of heart and arteries—stimulant and tonic. Very valuable as a cough remedy—acts as a sedative—further valuable as an alterative."

USE OF HEN MANURE.

It is a Valuable Fertilizer For the Vegetable Garden.

Hen manure is something we want to get rid of, and this quite promptly and frequently, says a writer in Farm and Fireside. Once every week or two it should be taken up with a harrow or some other implement which will increase the secretions of the digestive tract. A tonic made of native medicinal roots which will invigorate the stomach into greater activity and increase the secretion of the phosphates from the food—a remedy which will do this is one which has stood the test of public approval for nearly forty years, and contains no alcohol or narcotics. We refer to Dr. Pierce's Golden Medical Discovery. It can be given to the smallest child with perfect freedom. If the blood is impure, if pimples, boils, headaches occur, if the stomach is weak—first eradicate the poison from the blood.

AN ILLUSTRATION OF PIERCE'S METHOD of restoring waste of tissue and impoverishment of the blood and nervous force is used when you take an alternative extract of native roots, made without the use of alcohol, like Dr. Pierce's Golden Medical Discovery. This vegetable medicine cures the digestive functions and helps in the assimilation of food, or rather takes from the food just the nutriment the blood requires.

Along with its use one should take exercise in the outdoor air, get all one can of God's sunlight and air; practice a deep breathing exercise every day. This "Medical Discovery" gives no false stimulation, because it does not contain alcohol or a narcotic. It helps digestion and the assimilation of such elements in the food as are required for the blood. Unlike a cod liver oil, against which the already sensitive stomach will declare open rebellion, this tonic has a purifying action upon the sensitive stomach and gives to the blood the food elements the tissues require. It maintains one's nutrition by enabling him to eat, retain, digest and assimilate nutritious food. It overcomes gastric irritability and symptoms of indigestion, and, in this way, fever, night-sweats, headaches, etc., are done away with.
