Phelps won first place, gaining one lap in 24 on Dimick, and two laps on the other two skaters. Dimick ran Phelps a close heat until the race was more than two-thirds done, when he slipped and fell. He skated pluckily to the finish, however, and easily captured second place.

Dallas College will meet the basketball team from the Oregon Agricultural College tonight on the floor of the home gymnasium, in the first game of the Oregon Basketball League. Dallas is as strong as ever, and we have no reason to believe that her old time opponent has been materially weakened, so one of the fastest and closest games of the season may be expected. This will be the first game played with Q. A. G. since the spring of 1906, nearly two years ago.

PRESIDENT MULKEY RESIGNS

Will Retire From Normal Work January 1 to Engage in Private Business.

The report of the resignation of B. F. Mulkey as President of the Ashland Normal School as published in Tuesday's Observer, is confirmed by the following item from the Ashland Tidings:

"For some time past there have been rumors of the intended resignation of President B. F. Mulkey, who has been at the head of the S. O. State Normal at Ashland for five years past, for it has been known that he was considering flattering offers to engage in private business. However his decision was not made public until today, when at a meeting of the faculty of the school and before the student body he formally announced that he had tendered his resignation to become effective with the beginning of the new year.

The name of his successor in the school will be made public within a short time. The faculty and the student body upon receiving the announcement passed resolutions highly commendatory of President Mulkey's school work, and his resignation is keenly regretted in faculty and student circles, though all wish him success in his new venture.

"President Mulkey will become associated with the Jackson County Abstract Company, as a partner with John A. Harvey of Ashland and T. W. Miles of Medford. He will be located at Jacksonville, where the company, which has acquired the Narreagan & Narreagan abstract plant and added it to its own, will also establish an office. President Mulkey who was admitted to the bar some years ago, will also take up a long cherished desire to practice the profession of the law, and will attend to the Company's court business at Jacksonville."
