NEW PRESS ASSOCIATION.

If any newspaper publisher in Oregon had any doubts or misgivings as to the future of the Oregon Press Association, those doubts were speedily removed at the big meeting held in Portland last Friday and Saturday, when more than one hundred publishers representing as many newspapers of the state met and discussed subjects of interest and importance to the profession. Many counties of Oregon, Polk among the number, were represented by every publisher in the county, and there were only two or three small counties not represented.

The business sessions were held in the Woodman Hall at 11th and Washington streets, where every care had been taken to provide for the comfort of the visitors. President Woodward, of the Newberg Graphic, proved an ideal presiding officer, being fair in his rulings and demonstrating his ability to expedite business. The success of the meeting was also promoted by the good work of Dr. Henry W. Coe, corresponding secretary; D. W. Bath, recording secretary, and Miss Frances Gottschall, treasurer.

The principal business of the session was the effecting of a complete reorganization of the Association. The old constitution was abolished in its entirety, and a new one adopted in its stead. Under the new system, the state will be organized by counties, or groups of counties, and these minor associations will work under the jurisdiction of the state association. By this plan it is hoped to secure the co-operation of every publisher in the state and to make the association an active fofce in the promotion of the printing business, by enabling its members to secure fair and reasonable profits on their labor and the capital invested in their plants. No schedule of advertising rates was adopted, or even suggested, the matter of prices on advertising and job work being left entirely in the hands of the county organizations. The assertion of a prominent Portland daily that the publishers had combined to maintain a schedule of rates to be charged political candidates was utterly without foundation.

The committee appointed by President Woodard to devise a plan of reorganization and draft a new constitution consisted of J. S. Dellinger, of the Morning Astorian; C. H. Fisher, of the Eugene Daily Guard; B. E. Kennedy, of the Baker City Evening Herald; J. C. Hayter, of the Polk County Observer, and Secretary H. W. Coe. The report of the committee and the new constitution submitted were adopted without a dissenting voice.

The two days were business days from start to finish, the only entertainment feature being the reception tendered to the visitors by Dr. and Mrs. Coe in their beautiful new home at the corner of 25th and Lovejoy streets. The reception was a brilliant social gathering, being largely attended by the visiting newspapermen, their wives, and residents of Portland. On Saturday evening, a number of the editors accepted the invitation of the Portland Ad Club to attend a smoker and social session at the Hotel Lenox grill room, where a pleasant hour was spent with the bright young publicity promoters of the Rose City.

The officers of the Editorial Association for the coming year are: J. S. Dellinger, of the Morning Astorian, president; George Putman, of the Medford Tribune, vice-president; Arthur Moe, of the Hood River Glacier, corresponding secretary; George Seibird, of the Union Republican, recording secretary; Miss Frances Gotschall, of the Portland White Ribbon, treasurer. The trustees are C. H. Fisher, of the Eugene Guard; G. B. Small, of the Baker City Democrat; and C. L. Ireland, of the Moro Observer. It will be seen that the offices are equitably distributed over the state geographically, and that all of the officers are live newspaper publishers, most of them being connected with interior daily papers.

With the affairs of the Association in such capable hands, and with such a large number of publishers working together for the common good, under a practical and business-like plan of organization, it is confidently believed that the press will now be able to accomplish the results for which it has been striving for so many years, namely, the protection of its members from unfriendly laws and the placing of the publishing business on a profitable basis.

Ex-Representative Coon of Wasco county is out with a letter to the newspapers in which he endeavors to justify himself for the part he played in the defeat of the late Senator Dolph. The letter is ill-timed. Continued silence would have better become the little band of legislators that took part in that disgraceful affair.

Oregon's proportion of the lumber cut of the United States for the year 1907 was as follows: Douglas fir, 27.2 per cent; spruce 4.8 per cent; Western pine, 9.5 per cent; cedar, 5.7 per cent; larch, 2.3 per cegt; sugar pine, 2.6 per cent. Stumpage values were as follows: Douglas fir, $1.11; spruce, $3.00; pine, $1.08.

We Hear of More Cures

Of troubles originating in impure blood, scrofula, loss of appetite, catarrh, rheumatism, by Hood's Sarsaparilla than by all other so-called remedies combined. Somehow those cured by Hood's seem to stay cured, and they gladly tell the good news to others.

Scrofula Sore—"My wife had a scrofulous sore on her leg for years. Many different medicines gave but little benefit. She turned to Hood's Sarsaparilla and the sore quickly healed. It is a good blood medicine." J. N. DAFT, Crosby, Texas.

Afflicted 16 Years—"Hood's Sarsaparilla has cured me of scrofula, with which I have been troubled 16 years, and caused by vaccination. My little daughter had a scrofula swelling on her neck and Hood's Sarsaparilla also cured her." MRS. NORA HUNSUCK, Hughes, Tennessee.

Hood's Sarsaparilla is sold everywhere. In the usual liquid, or in tablet form called **Sarsatabs.** 100 Doses One Dollar. Prepared only by C. I. Hood Co., Lowell, Mass.

Summons.

In the Circuit Court of the State of Oregon for Polk County, Department No. 2.

William J. Cromley, Plaintiff, vs. William Jackson, Defendant, Summons.

To the above-named Defendant, William Jackson:

In the name of the State of Oregon: You are hereby required to appear and answer the complaint filed against you in the above entitled Court and cause within seven weeks from the date of the publication of this summons, to-wit: the 21st day of December, 1907, and if you fail so to appear and answer said complaint plaintiff will apply to the Court for the whole of the relief demanded in his complaint, to-wit: for a decree removing a cloud from the title of the following described real property, to-wit:

Beginning at the N. E. corner of the D. L. C. of H. M. McNary in T. 7, South of Range 4 W. Willamette Meridian, thence West 40.81 chains; thence South 10 degrees East 48.61 chains; thence E. 1.87 chains; thence S. 10 degrees East 2.75 chains; thence N. 85 degrees 30 minutes E. 32.16 chains; thence N. 13.10 chains; thence W. 2 chains; thence North 33.92 chains to the place of beginning and containing 182.43 acres, more or less, in Polk County, Oregon.

That in the year 1878 John Hendershot and Francis M. Hendershot mortgaged the aforementioned premises to said defendant for the consideration of $600.00, but although the same was there after repaid by said mortgagors to said mortgagee, yet through neglect or oversight of the said William Jackson the same was never cancelled or satisfied upon the records of Polk County, Oregon, and the same now remains apparently a lien or lawful claim upon and against said property, and it is such cloud that plaintiff brings this suit to remove.

That plaintiff have such other, further or different relief as may seem unto this Honorable Court agreeable to the principles of equity, and that the defendant, and all persons claiming under him be barred of all and every right in said premises.

You are further notified that on the 17th day of December, 1907, the Honorable William Galloway, Judge of the above entitled Court, made an order at the City of Salem, Marion County, Oregon, authorizing and directing this summons to be served upon you by publication thereof once a week for seven consecutive weeks in the Polk County Observer, a newspaper of general circulation and published weekly in Polk County, Oregon, and that the first publication of this summons was made on the 21st day of December, 1907.

JOHN H. McNARY and
C. L. McNARY,
Attorneys for plaintiff.

A Bold Step.

To overcome the well-grounded and reasonable objections of the more intelligent to the use of secret, medicinal compounds, Dr. R. V. Pierce, of Buffalo, N. Y., some time ago, decided to make a bold departure from the usual course pursued by the makers of put-up medicines for domestic use, and so has published broadcast and openly to the whole world, a full and complete list of all the ingredients entering into the composition of his widely celebrated medicines. Thus he has taken his numerous patrons and patients into his full confidence. Thus too he has removed his medicines from among secret nostrums of doubtful merits, and made them *Medicines of Known Composition.*

By this bold step Dr. Pierce has shown that his formulas are of such excellence that he is not afraid to subject them to the fullest scrutiny.

Not only does the wrapper of every bottle of Dr. Pierce's Golden Medical Discovery, the famous medicine for weak stomach, torpid liver or biliousness and all catarrhal diseases wherever located, have printed upon it, in plain English, a full and complete list of all the ingredients composing it, but a small book has been compiled from numerous standard medical works, of all the different schools of practice, containing very numerous extracts from the writings of leading practitioners of medicine, endorsing in the strongest possible terms, each and every ingredient contained in Dr. Pierce's medicines. One of these little books will be mailed free to any one sending address on postal card or by letter, to Dr. R. V. Pierce, Buffalo, N. Y., and requesting the same. From this little book it will be learned that Dr. Pierce's medicines contain no alcohol, narcotics, mineral agents or other poisonous or injurious agents and that they are made from native, medicinal roots of great value; also that some of the most valuable ingredients contained in Dr. Pierce's Favorite Prescription for weak, nervous, over-worked, "run-down," nervous and debilitated women, were employed, long years ago, by the Indians for similar ailments affecting their squaws. In fact, one of the most valuable medicinal plants entering into the composition of Dr. Pierce's Favorite Prescription was known to the Indians as "Squaw-Weed." Our knowledge of the uses of not a few of our most valuable native, medicinal plants was gained from the Indians.

As made up by improved and exact processes, the "Favorite Prescription" is a most efficient remedy for regulating all the womanly functions, correcting displacements, as prolapsus, anteversion and retroversion, overcoming painful periods, toning up the nerves and bringing about a perfect state of health. Sold by all dealers in medicines.
