CURE YOUR KIDNEYS

Why will people continue to suffer the agonies of kidney complaint, backache, urinary disorders, lameness, headaches, languor. Why allow themselves to become chronic invalids, when a certain cure is offered them?

Doan's Kidney Pills is the remedy to use, because it gives to the kidneys the help they need to perform their work.

If you have any, even one, of the symptoms of kidney diseases, ease your self now, before diabetes, dropsy or Bright's disease sets in.

Mrs. L. Hodson, of 717 Aura St., Pendleton, Ore., says: "I just as enthusiastically endorse Doan's Kidney Pills today as I did nearly three years ago. They relieved me of kidney trouble which had bothered me for a considerable time. There was aching pains across the small of my back and down through my kidneys, which were aggravated by colds which settled in the back and loins and caused an awful lameness. This was my condition when I began taking Doan's Kidney Pills. They promptly banished the backache and pains through the loins, regulated the kidney secretions and removed every symptom of the trouble. From that day to this there has been no recurrence, and I give Doan's Kidney Pills all the credit. I consider them to be the best kidney remedy procurable and recommend them whenever the occasion arises."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States. Remember the name—Doane—and take no other.

The Secret of a Beautiful Face lies in keeping the skin protected as well as cleansed. Just washing is not enough—that only leaves the delicate surface more exposed to the irritation of dust and germs; to merciless attacks of sun and weather. After washing, apply Robertine and experience its delightful refreshment. You will admire the lineless softness it imparts to face, neck and arms. It not only stimulates a radiant glow, but protects the skin from becoming coarse. Prevents burning, tan and freckles.

FRIEND TO FRIEND.
The personal recommendations of people who have been cured of coughs and colds by Chamberlain's Cough Remedy have done more than all else to make it a staple article of trade and commerce over a large part of the civilized world.

AN INSTANCE.
Lucy Suddreth, of Lenoir, N. C., had been troubled with a very bad cough for over a year. She says: "A friend brought a bottle of Chamberlain's Cough Remedy, brought it to me and insisted that I should take it. I did so and to my surprise it helped me. Four bottles of it cured me of my cough."

THE KING OF CURES

DR. KING'S NEW DISCOVERY

FOR COUGHS AND COLDS AND ALL THROAT AND LUNG DISEASES PREVENTS PNEUMONIA AND CONSUMPTION

"Two years ago a severe cold, settled on my lungs and so completely prostrated me that I was unable to work and scarcely able to stand. I then was advised to try Dr. King's New Discovery, and after using one bottle I went back to work, as well as I ever was."
W. J. ATKINS, Banner Springs, Tenn.

It Does the Business.
Mr. E. E. Chamberlain, of Clinton, Maine, says of Bucklen's Arnica Salve. "It does the business; I have used it for piles and it cured them. Used it for chapped hands and it cured them. Applied it to an old sore and it healed it without leaving a scar behind." 25c. at Belt & Cherrington drug store.

Eggs or Flesh—Which?
If eggs for market is your object and you are sure you can regularly supply comfortable houses, then one of the Leghorn varieties will suit you.

If you want a good all around bird—hens good layers, cockerels good bird roasters at six months and if turned into capons superior birds at ten or eleven months—then one of the Plymouth Rock varieties will suit you. This is undoubtedly the most popular fowl in the world today. The market characteristics of this breed are round, plump, yellow skin bodies on short legs.

The Best Squabs.
It seems to be the rule that beginners in the squab business have a desire to own white birds, but those that have followed the business for any length of time care little what the color may be so long as the bird produces a light skinned squab. White birds as a rule are not as hardy and do not generally do as well as colored birds. Some of the best squabs are from pure white and colored, red preferred, mated together.

Black Cayuga Ducks.
The Black Cayuga is one of the coming breeds of ducks. Though not so large as the White Peking, the Black Cayuga is an excellent layer, a great forager and an excellent breeder. Be

side, the Cayuga is very hardy, and the saying "Well hatched is half raised" applies aptly to it. This breed of ducks should be better known in this country.

A Ration For Chicks.
The most simple ration for small chicks is cracked wheat and meat scraps the first three weeks of the chickens' lives, adding then cracked corn to the two other foods. Green vegetable food is decidedly helpful in avoiding disease in chicks. Temperature, water, pure air, crowding and sturdy stock are subjects attracting the attention of those who desire to avoid disease in young chicks.

TEA
You think one tea as good as another? Why don't you buy at the lowest price you see in the window?
Your grocer returns your money if you don't like Schilling's Best, we pay him.

ORINO Laxative Fruit Syrup
Cleanses the system thoroughly and clears sallow complexions of pimples and blotches. It is guaranteed.
