CORVALLIS GAME NEXT

Many Dallas People Will Attend Basketball Game at O. A. C., February 21.

The return basketball game between Dallas College and the Oregon Agricultural College is scheduled for Friday, February 21, and an effort will be made to secure a special motor, and take a larger crowd of "rooters" to Corvallis than has accompanied the Dallas boys to any of their previous games. This contest promises to be doubly hard because of the ancient and active rivalry between the two institutions in their athletic intercourse, and because of the fact that if Dallas wins this game, it will hold the undisputed championship of the South Division of the Oregon League, and if Corvallis wins, the two teams will be tied and a third game will be necessary. Dallas will go into the struggle with the determination to maintain her lead if possible, while Corvallis will be equally eager to make the tie, and thus gain a fighting chance for the championship in the tryout.

Will Play Corvallis Champions.
The hitherto undefeated skating basketball team from Corvallis will meet the local aggregation on the floor of the Colosseum rink Saturday night, and the contest will probably be the hardest one of its kind ever witnessed in Dallas. Dallas defeated Eugene last week by a score of 27 to 4 and Corvallis defeated the same team by a score of 30 to 5. One may naturally expect then, to see the two victorious teams almost equally matched, and they will doubtless put up an excellent exhibition of skillful skating and fast team work.
