## DALLAS DEFEATS NEWBERG

Local Skating Team Wins Basketball Game by Decisive Score of 30 to 13.

The Dallas skating team once more demonstrated its superiority over the Newberg team, defeating that aggregation in a game of basketball on the Newberg floor Saturday night, by a score of 30 to 13.

The game was fast and clean, but the Dallas team easily surpassed its opponents in speed and team work, while its goal throwing was almost faultless. Individually, the members of the Dallas five showed themselves to be better skaters, and more at home on the rollers than the members of the Newberg team.

Higgins, the Newberg center, played the star game for his team, scoring 6 out of the 13 points. Elder, of Dallas, threw 6 baskets from the field and two from the foul line, Brown and Simonson threw four each, and Magers one.

The line-up was the same in Saturday night's game as in the game played in Dallas, January 24, with the exception that Phelps played guard for the Dallas team until the latter part of the second half, when he was replaced by Magers. Bert Teats acted as referee. Those who accompanied the team in the capacity of "rooters" were Frank Kerslake, Lelf Finest, Harry Madison and Merwin Boyer.

The depot at Newberg was entered Friday night, and an effort was made to open the safe by the use of dynamite. The explosive was put on the dial of the safe, but instead of blowing inward, it acted in the opposite manner, shattering all the windows in the front of the building. The safe was but slightly injured, and the would-be burglars secured practically nothing. Conductor Crocker, of the afternoon train between Dallas and Portland, says that similar attempts have been made at several previous times.

Why get up in the morning feeling blue, Worry others and worry you; Here's a secret between you and me, Better take Rocky Mountain Tea, Belt & Cherrington.

## WISE TALKS

By U. S. Loughary's Office Boy.

Did you ever hear about the express companies cutting a melon? Reminds you of that old story about Mother Eve being made for Adam's Express Company, only they cut a rib that time and melons weren't ripe till after Adam got his ticket of leave. I heard a man say the serpent could never have handed Eve an apple, that it must have been a melon, as apples weren't raised in the garden or anywhere near there. By the way, you've noticed we never hold any cut price, sell at cost "sales" at this shop.
