WISE TALKS

By U. S. Loughary's Office

Did you ever hear about the express companies cutting a melon? Reminds you of that old story about Mother Eve being made for Adam's Express Company, only they cut a rib that time and melons weren't ripe till after Adam got his ticket of leave. I heard a man say the serpent could never have handed Eve an apple, that it must have been a lemon, as apples weren't raised in the garden or anywhere near there. By the way, you've noticed we never hold any cut prices, sell at cost "sales" at this shop. The boss says we don't have any sales because we don't have any poor stock to force out, and the goods we don't want, our customers would not. Good groceries at the right price for real quality don't need to go a begging any time of the year. Just got a new lot of Olives, home-made Pickles, more of that fine Lettuce, Celery and Cabbage, Grape fruit, etc. Phone in your order.

GOOD WORK

Done Daily in Dallas.

Nearly every reader has heard of Doan's Kidney Pills. Their good work still continues, and our citizens are constantly adding endorsement by public testimony. No better proof of merit can be had than the experience of friends and neighbors. Read this case:

Mrs. N. Swaggert, of 819 Garden St., Pendleton, Ore., says: "Both my husband and myself have used Doan's Kidney Pills with most gratifying results. Mr. Swaggert was troubled quite severely with his back and kidneys for a long time, and nothing ever helped him as Doan's Kidney Pills have. I have known of the healing and curative power of this remedy for some time, and found that a few doses would quickly remove any lameness or pain in the back caused by kidney derangement. I am glad to help make Doan's Kidney Pills better known to all afflicted with backache or kidney trouble."
