

Polk County Observer

J. C. HAYTER, EDITOR AND PUBLISHER.

Published Semi-Weekly at \$1.50 per Year. Strictly in Advance.

Entered as second-class matter March 1, 1907, at the post office at Dallas, Oregon, under the Act of Congress of March 3, 1879.

DALLAS, OREGON, MARCH 2, 1908.

The way to build up Dallas is to patronize Dallas people.

THE DIRECT PRIMARY.

To hear a few Republican bores talk, a stranger in Oregon would be led to believe that the Direct Primary Law was a Democratic and Populist iniquity...

This paper saw, or at least thought it could see, that the very conditions which have arisen would result from the practical operation of the law...

Now, that the law is on the statute books—placed there by both Republican and Democratic votes—it should be observed. The more strictly the law is observed, the sooner it will be repealed.

Despite all argument to the contrary, the Observer believes that the intent of the primary law was to secure the election of the people's choice for United States Senator...

The Postoffice Department which requires that newspaper subscriptions must be kept paid up in order that the paper may be mailed at the same rates...

We regret that we are compelled to send out statements to our subscribers at this season of the year, but the ruling of the postal authorities is imperative and must be complied with.

As we understand the matter, this new postal ruling was aimed primarily at that class of advertising publications which are burdening the mails by their volume and which in reality are not newspapers...

The Observer has always been willing to grant reasonable credit to its subscribers, and we are proud to say that our losses on subscription account have been practically next to nothing.

Every other paper, as well as the Observer, will now be required to see that subscribers keep their accounts paid up; therefore, it is your privilege to continue to get the best by seeing that your arrearsages to the Observer; if you have any, are paid up before April 1, 1908.

G. W. Myer and H. G. Campbell, president and secretary of the Dallas Canning Company, inspected the canning plants at Newberg and Springfield last week, and will visit other establishments in the southern part of Polk county...

Here is good Republican talk from the Woodburn Independent: "Oregon will select a Republican Senator in June. The talk that no Republican can defeat Chamberlain is silly. The state is not Democratic."

A Square Deal

Is assured you when you buy Dr. Pierce's family medicine for all the ingredients entering into them are printed on the bottle wrappers and their formulas are attested under oath as being complete and correct. You know just what you are getting for your money, and the ingredients are gathered from Nature's laboratory, being selected from the most valuable native medicinal roots found growing in our American forests and while potent to cure are perfectly harmless. Even to the most delicate woman and child. Not a drop of alcohol enters into their composition. A much better agent is used for every leading ailment preserving the medicinal qualities and the strength of the ingredients. This agent possesses intrinsic medicinal properties of its own being a most valuable antiseptic and antiferment, nutritive and soothing demulcent.

Glycerine plays an important part in Dr. Pierce's Family Medical Discovery in the cure of Indigestion, Stomach and weak stomach, attended by sour risings, heartburn, food irregular, coated tongue, poor appetite, gnawing, feeling in stomach, biliousness and kindred derangements of the stomach, liver and bowels. It dissolves and all other distressing ailments, the "Golden Medical Discovery" is a specific for all diseases of the mucous membrane of the throat, whooping cough, the nasal passages or of the stomach, bowels or pelvic organs. Even in its ulcerative stages it will yield to this sovereign remedy if its use is persevered in. In Catarrh of the Nasal Passages, it is well while taking the "Golden Medical Discovery" for the necessary constitutional treatment, to cleanse the passages freely two or three times a day with Dr. Sage's Catarrh Remedy. This thorough course of treatment generally cures the worst cases.

In coughs and hoarseness caused by bronchitis and lung affections, a most efficient remedy is a most efficient remedy, especially in those cases where the cough is caused by irritation and congestion of the membranes. The "Pierce's Discovery" is so good for acute coughs arising from sudden colds, nor must it be expected to cure consumption in the advanced stages—no medicine will do that—but for all other chronic coughs, which if neglected, or poorly treated, lead up to consumption, it is the best medicine that can be taken.
