Polk County Observer

J. C. HAYTER,
EDITOR AND PUBLISHER.

Published Semi-Weekly at $1.50 per Year. Strictly in Advance.

Entered as second-class matter March 1, 1907, at the post office at Dallas, Oregon, under the Act of Congress of March 3, 1879.

DALLAS, OREGON, MARCH 13, 1908.

The way to build up Dallas is to patronize Dallas people.

MORE MONEY NEEDED.

H. G. Campbell, secretary and treasurer of the Dallas Canning Company, has been traveling among the various canning plants in the Willamette Valley during the past two or three weeks in company with G. W. Myer, the president of the company, and in the course of these journeys they have secured much practical and valuable information concerning the management of the canning business, which will no doubt be of interest to all stockholders in the newly formed company, and to the general public as well.

At the meeting of the stockholders, held in Dallas on February 25, Messrs. Myer and Campbell were instructed to visit the more important canneries in the Willamette Valley, and to secure as much information about the business as possible, for the guidance of the directors in the Dallas company in matters connected with the establishing of a canning plant in this city. On the following Monday they paid their first visit to the cannery in Springbrook.

Mr. Kincaid, the manager and one of the principal stockholders in the Springbrook company received them in a very courteous and obliging manner, and took pains to render them all the assistance in his power during their visit. The main cannery in Springbrook is a substantial building 60 feet wide, by 90 feet long, and has two large sheds with solid foundations connected to it, for use as a store room for the finished product of the factory. This plant, including building, machinery and grounds, was established at a cost of about $7000, and has a capacity of from 5000 to 7000 cans per day.

From Springbrook, Mr. Myer and Mr. Campbell went to Newberg and inspected the large canning factory that is now in the process of installation in that city. It will be one of the largest on the coast when completed. The main cannery building is 100 feet wide and 340 feet in length, with a driveway for wagons extending the full length of the building on one side, and with a side rack of equal length on the other side. A boiler house 40 by 60 feet will also be connected with the main building. The entire cost of installing this big plant will be more than $15,000, the cost of the buildings alone being $9000. The machinery is not yet installed but is expected to be on hand in time for the coming season's run.

On last Friday, Mr. Myer and Mr. Campbell went to Brownsville, where the much-talked-of cannery is in operation. They were especially interested in this plant, as the Dallas company is not in a position to spend much money on the establishment of its proposed cannery, and had hoped to be able to install one similar to the Brownsville cannery, should this appear practicable to them.

Arriving in Brownsville, Mr. Myer and Mr. Campbell were very kindly received by Ed. Hollowell, the manager of the local company, who conducted them personally through the building, and took pains to give them all the information they desired concerning the work of the factory.

The Brownsville cannery has been in operation just one season. It was originally established in a vacant building near the railroad, and equipped with machinery at a cost of about $3000. Before the completion of the first season's run, the company found that the building was not at all adapted to their work, and that the erection of an up-to-date cannery building would be absolutely necessary. A new building 50 feet wide and 130 feet long is now in process of building, and will be ready for use by the opening of the next season. The old building is so crowded now that a person can scarcely go through it.

Mr. Hollowell says that the old vats, trays, and a considerable portion of the machinery will be discarded this season and replaced by modern canning machinery. The real cost of the cannery in Brownsville will therefore amount to more than $7000, and the manager of the plant declares that the money expended on the cheap machinery and the old building used last year was worse than wasted. He earnestly advised the visitors from Dallas not to make the mistake of thinking that they could install a really effective canning plant cheaply, for such an effort would undoubtedly prove far more expensive in the end than if they started out with a sufficient sum to put in a really up-to-date and effective factory.

Convinced by the facts that they have encountered in their visits to the neighboring towns, that it would be folly to attempt to establish a canning plant in this city without raising a greater amount of money than they have hitherto secured, the stockholders have called a meeting for Monday, March 16, at 2 o'clock p. m., for the purpose of discussing the question, and arriving at a definite plan of action if possible. At this meeting the matter of increasing the capitalization of the company will be discussed, and many other subjects of general interest to those who are working for the establishment of the canning industry in Dallas, will be introduced before the assembly.

"A Good Name at Home"

"Is a tower of strength abroad"—and the excellent reputation of C. I. Hood Co. and their remedies in the city of Lowell, where they are best known, inspires confidence the world over, not only in the medicines but in anything their proprietors say about them. "If Made by Hood It's Good."

"I believe Hood's Sarsaparilla the best all-round family medicine known today." MRS. G. D. FARLEY, 652 Wilder St., Lowell, Mass.

"I recommend Hood's Sarsaparilla to any one." JOHN B. DUFFY, 14 Auburn Street, Lowell, Mass.

"I am a strong and healthy woman today, from taking Hood's Sarsaparilla, which I keep in the house for all the family." MRS. FANNIE BALCH, 108 Leverett St., Lowell, Mass.

"I consider Hood's Sarsaparilla the best blood-purifier in the world." MRS. JENNIE E. CARLTON, 113 Liberty St., Lowell, Mass.

Hood's Sarsaparilla is sold everywhere. In the usual liquid, or in tablet form called **Sarsatabs.** 100 Doses One Dollar. Prepared only by C. I. Hood Co., Lowell, Mass.

Do Senator Fulton's friends think they are strengthening his candidacy by constantly expressing the fear that Chamberlain will carry the state in June?

The State Board of Health sends us a copy of its annual report and asks us to comment on it editorially. Our opinion is that it is about as good as no report at all; that a whole lot of good white paper was spoiled in printing it, and that like the reports of many other state boards and commissions, it is a useless waste of the taxpayers' good money.

A meeting will be held at the Court House, Thursday evening, March 19, for the purpose of organizing a company of militia in this city. All of the men of Dallas are invited to be present whether they intend to enlist in the proposed company or not as the matter is one of importance to every loyal citizen. No expense is attached to an organization of this kind, as far as the city and the enlisted men are concerned, since the state will furnish the building for drilling and the United States will furnish arms, uniforms, and other equipments. This means that Dallas can have a building for use as an armory, built and maintained by the state, or rented from some private party who may have a suitable building, at no cost whatever to the city of Dallas itself. The business men should turn out in a body Thursday night and show their indorsement of the movement among the young men to secure this company.

BUSINESS LOCALS.

Wood For Sale.

Inquire at Racket Store. F. S. RAMSEY. 2-18-8t

Verdict for Dr. Pierce

AGAINST THE

Ladies' Home Journal.

Sending truth after a lie. It is an old maxim that "a lie will travel seven leagues while truth is getting its boots on," and no doubt hundreds of thousands of good people read the unwarranted and malicious attack upon Dr. R. V. Pierce and his "Favorite Prescription" published in the May (1906) number of the Ladies' Home Journal, with its great black display headings, who never saw the humble, groveling retraction, with its inconspicuous heading, published two months later. It was boldly charged in the slanderous and libelous article that Dr. Pierce's Favorite Prescription, for the cure of woman's weaknesses and ailments, contained alcohol and other harmful ingredients. Dr. Pierce promptly brought suit against the publishers of the Ladies' Home Journal, for $300,000.00 damages.

Dr. Pierce alleged that Mr. Bok, the editor, maliciously published the article containing such false and defamatory matter with the intent of injuring his business; furthermore, that no alcohol, or other injurious, or habit-forming, drugs are, or ever were, contained in his "Favorite Prescription"; that said medicine is made from native medicinal roots and contains no harmful ingredients whatever; and that Mr. Bok's malicious statements were wholly and absolutely false.

In the retraction printed by said Journal they were forced to acknowledge that they had obtained analyses of "Favorite Prescription," from eminent chemists, all of whom certified that it did not contain alcohol or any of the alleged harmful drugs.

These facts were also proven in the trial of the action in the Supreme Court. But the business of Dr. Pierce was greatly injured by the publication of the libelous article with its great display headings, while hundreds of thousands who read the wickedly defamatory article never saw the humble groveling retraction, set in small type and made as inconspicuous as possible. The matter was, however, brought before a jury in the Supreme Court of New York State which promptly rendered a verdict in the Doctor's favor. Thus his tormenters came to grief and their base slanders were refuted.

Shingles For Sale.

A carload of Star A Star shingles received this week by the SOEHREN WAREHOUSE CO. 10-1-tf

Farm For Sale.

Good 300-acre dairy and stock farm, two miles from railroad; good grass and farming land; plenty of running water; good house and barn and sheds. Call on or address JAMES A GIBSON, Sheridan, Or., R. F. D. 1. 8-10-tf

Summons.

In the Circuit Court of the State of Oregon for the County of Polk, Department No. 2.

John Cornforth, Plaintiff, vs. Emma Finley McBride, widow, J. A. Finley and Gertrude Finley, his wife, S. H. Finley and Ida H. Finley, his wife, A. G. Finley and Helen R. Finley his wife, S. S. Finley and Pearl W. Finley, his wife, Lulu B. Finley, unmarried, Sallie H. Finley, unmarried, Frank Gibson and Sarah Gibson, his wife, Henry Schomaker and Olive Schomaker, his wife, J. B. Putnam and Agnes Putnam, his wife, James Emery, unmarried, and Henry E. Sterling, unmarried, Defendants.

To Emma Finley McBride, J. A. Finley, Gertrude Finley, S. H. Finley, Ida H. Finley, A. G. Finley, Helen R. Finley, S. S. Finley, Pearl W. Finley, Lulu B. Finley, Sallie H. Finley, Frank Gibson, Sarah Gibson, James Emery and Henry E. Sterling, the above named Defendants:

In the Name of the State of Oregon, You, and each of you, are hereby required to appear and answer the complaint filed against you in the above entitled suit on or before Saturday, the 18th day of April, 1908, that being the last day for your appearance or answer by you, fixed by an Order of this Court for the publication of this Summons and if you fail so to appear or answer, for want thereof, the Plaintiff will apply to the above named Court for the relief prayed for in his Complaint herein, to-wit:

That Plaintiff is the owner in fee simple of the whole of the following described lands and premises, to-wit:

All of Lots 4, 5, 6, 7, 8, 9, 10, 11, 12 and 13 in the West Side Fruit Farms in Polk County, State of Oregon, as said lots are shown and designated on the plat of said West Side Fruit Farms now of record in the office of the County Clerk of Polk County, Oregon.

That the Defendants have no right, title or interest therein or thereto and that the Defendants be required to set forth by answer the nature of their claim to said lands and premises, if any they have, that all adverse claims of Defendants, or either of them, may be determined by a Decree of this Court, that the Defendants be forever enjoined and debarred from asserting any claim whatever in or to said lands or any part thereof adverse to this Plaintiff, and for such other and further relief as to the Court shall seem meet and equitable.

This summons is published for six consecutive weeks in the Polk County Observer by order of the Hon. William Galloway, Judge of the Circuit Court of the State of Oregon, for the County of Polk, which said order was made at Chambers, in the City of Dallas, in Polk County, Oregon, on the 3d day of March, 1908, the first publication being ordered to be made on the 6th day of March, 1908, and the last publication on the 17th day of April, 1908, and the defendants being required to answer said Compiaint on or before the 18th day of April, 1908.

A. O. CONDIT,
Attorney for Plaintiff.

Dated and first published February 14, 1908.

Electricity for Lighting

Is only expensive to people who are wasteful and careless. To you, who are naturally careful, it does not come high.

It is economical because it can be quickly turned off when not needed. With gas or kerosene there is the temptation to let light burn when not needed to save bother of lighting and adjusting. In some homes the electric light bills amount to only one or two dollars per month. You can probably get some kind of artificial light for less money than electric light, but does it save you anything when it limits opportunities for work and recreation—ruins your eyesight—smokes your walls—mars decorations and increases household work. You could probably save a dollar tomorrow by going without your meals but it wouldn't be economy. It is not so much what you save, but how you save that counts.

WILLAMETTE VALLEY CO. RATES—Residence on meters, per Kilowatt 15c; Residence, flat per month, 16cp 50c. RATES FOR BUSINESS HOUSES—25c per drop and 5c per Kilowatt up to 10 drops; over 10 drops 20c per drop and 5c per Kilowatt up to 40 drops; over 40 drops 17½c per drop and 5c per Kilowatt. A drop figures 16cp or less. For power rates apply at the office. We are always ready to explain the "ins and outs" of the lighting proposition to you, call on us or phone to us, we are never to busy to talk business.
