

ONLY THREE DAYS MORE

Our Great Sacrifice Sale of Clothing is drawing to a close. This unprecedented Carnival of Bargains will positively come to a close next Tuesday evening at 6 o'clock. If you have delayed making your purchases, do not put it off any longer. Such bargains have never been offered before, and may never be offered again. Hundreds of suits have been sold at actual cost and many have been sold far below cost--and everyone was bright, new and stylish--not an old, shelf-worn suit in the lot.

Here are Bargains that May Never be Offered to You Again

Any Overcoat in the Store \$13.75

"Priestly" Cravenettes that sell the world over for \$30 are going at \$13.75. They won't last long at this figure, so be in time if you want one.

Any Hat in the Store at \$2.50

\$3 Wolgus, \$4 Mallory Rainproofs and \$5 and \$6 Stetsons are all going at \$2.50 each during this great sale. Scores of people have bought hats here this week and many customers bought two, just as we told them in our advertisements that they would.

Any Suit in the Store at \$13.75

Values range as high as \$30, but they all go at \$13.75. All new goods and the very cream of the clothing market. Not a single suit reserved. Every one is on display and ready for your selection.

REMEMBER That This Great Sale Will Last Only a Few Days More

If you want some of these bargains, you will have to come now. If you don't get them, it will be no fault of our's. The sale will positively close when the big clock in the Courthouse tower strikes 6 on the evening of March 17--the 17th of Ireland." After that date, \$6 Stetson Hats will not be sold for \$2.50, and \$30 Suits will go back to \$30.

IF YOU DELAY YOUR PURCHASES, IT WILL BE YOUR LOSS, NOT OURS.

Good for Everybody
Mr. Norman R. Coulter, a prominent architect, in the Delbert Building, San Francisco, says: "I fully endorse all that has been said of Electric Bitters as a tonic medicine. It corrects stomach, liver and kidney disorders in a prompt and efficient manner and builds up the system." Electric Bitters is the best spring medicine ever sold over a druggist's counter; as a blood purifier it is unequalled. 50c. at Belt & Cherrington's drug store.

GOOD WORK
Done Daily in Dallas.

Nearly every reader has heard of Doan's Kidney Pills. Their good work still continues, and our citizens are constantly adding endorsement by public testimony. No better proof of merit can be had than the experience of

friends and neighbors. Read this case: Mrs. N. Swaggert, of 819 Garden St., Pendleton, Ore., says: "Both my husband and myself have used Doan's Kidney Pills with most gratifying results. Mr. Swaggert was troubled quite severely with his back and kidneys for a long time, and nothing ever helped him as Doan's Kidney Pills have. I have known of the healing and curative power of this remedy for some time, and found that a few doses would quickly remove any lameness or pain in the back caused by kidney derangement. I am glad to help make Doan's Kidney Pills better known to all afflicted with backache or kidney trouble."
Price 50 cents. For sale by all dealers. Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name--Doan's--and take no other.

AN INSTANCE.

Lucy Suddreth, of Lenoir, N. C., had been troubled with a very bad cough for over a year. She says: "A friend brought it to me and insisted that I should take it. I did so and to my surprise it helped me. Four bottles of it cured me of my cough."

Life Guards.
The Life Guards are two regiments of cavalry forming part of the British household troops. They are gallant soldiers, and every loyal British heart is proud of them. Not only the King's household, but yours, ours, everybody's should have its life guards. The need of them is especially great when the greatest foes of life, diseases, find allies in the very elements, as colds, influenza, catarrh, the grip, and pneumonia do in the stormy month of March. The best way that we know of to guard against these diseases is to strengthen the system with Hood's Sarsaparilla--the greatest of all life guards. It removes the conditions in which these diseases make their most successful attack, gives vigor and tone to all the vital organs and functions, and imparts a genial warmth to the blood. Remember the weaker the system the greater the exposure to disease. Hood's Sarsaparilla makes the system strong.
