Polk County Observer

J. C. HAYTER,
EDITOR AND PUBLISHER.

Published Semi-Weekly at $1.50 per Year. Strictly in Advance.

Entered as second-class matter March 1, 1907, at the post office at Dallas, Oregon, under the Act of Congress of March 3, 1879.

DALLAS, OREGON, MARCH 17, 1908.

The way to build up Dallas is to patronize Dallas people.

It is a fact worthy of note that about the only newspapers in Oregon that are boosting Senator Fulton for re-election are those edited by Postmasters.

Last Sunday's Oregonian contained as much political advertising as all of the country newspapers in the state put together are carrying. Wonder if Uncle Harvey charged the candidates anything for it?

The Gresham Herald, one of Oregon's cleanest and best newspapers, has been purchased by H. A. Darnall. Timothy Brownhill, the retiring publisher, will move to McMinnville and engage in other lines of work.

Big red apples are pleasing to the eye, but the idea that they bring the best prices in the world's markets is erroneous. Hood River and Southern Oregon growers find that the sizes ranging from 96 to 128 to the box bring the best money.

The OBSERVER would like to suggest that a mighty good way to keep Governor Chamberlain out of the Senate would be for no Republican to vote for him at the June election. By pursuing this course, a Republican Senator would be assured, and the desired result could be accomplished without putting old corrupt and discredited machine politicians in charge of the state again.

Congratulations to our neighbor town of Independence for success in raising funds to build and operate a fruit cannery. Five thousand dollars has been subscribed by the business men and the farmers of the surrounding country. Independence is surrounded by rich, river bottom land, admirably adapted to the growth of fruit, vegetables and berries, and will prove an ideal location for a cannery. It is good to watch Old Polk develop.

Portland's baseball team promises to give a good account of itself this year. In a practice game in Santa Barbara last Wednesday, the new Beavers walloped the fast Chicago team to the tune of 8 to 0. In looking over the lineup, it is good to see such names as Casey, Walsh, Cooney and Malloy. You're on the right track, Mr. McCredie. A baseball team that has plenty of Caseys and Murphys, O'Rourkes and Hooligans never lands in the cellar.

Dallas should follow the example of Eugene, Roseburg and other live Oregon towns, and pave at least a part of the business streets this summer. Having all of the other necessary public improvements, paved streets in the business district and macadam streets in the residence portion would make Dallas as nearly an ideal town as could be imagined. It is true that the cost would be heavy, but no improvement worth while can be made without money, and paved streets would be worth more than their cost in increasing the value of property alone, to say nothing of the beauty, cleanliness and convenience of such an improvement. As the city already owns a rock crusher and street roller, one of the large items of cost in paving would be materially reduced. Such an improvement is almost too good to hope for, but it could be brought about if all of the business men and property owners would unite in asking for it.

We Hear of More Cures

Of troubles originating in impure blood, scrofula, loss of appetite, catarrh, rheumatism, by Hood's Sarsaparilla than by all other so-called remedies combined. Somehow those cured by Hood's seem to stay cured, and they gladly tell the good news to others.

Scrofula Sore—"My wife had a scrofulous sore on her leg for years. Many different medicines gave but little benefit. She turned to Hood's Sarsaparilla and the sore quickly healed. It is a good blood medicine." J. N. DAFT, Crosby, Texas.

Afflicted 16 Years—"Hood's Sarsaparilla has cured me of scrofula, with which I have been troubled 16 years, and caused by vaccination. My little daughter had a scrofula swelling on her neck and Hood's Sarsaparilla also cured her." MRS. NORA HUGHEY, Hughey, Tennessee.

Hood's Sarsaparilla is sold everywhere. In the usual liquid, or in tablet form called **Sarsatabs.** 100 Doses One Dollar. Prepared only by C. I. Hood Co., Lowell, Mass.

OREGON WINS CONTEST

Eugene Orator Awarded First Place in State Contest at Monmouth.

The fifteenth annual State Intercollegiate Oratorical contest was held in the Normal assembly room in Monmouth, Friday evening. The contest was one of unusual merit, the orations being of more than ordinary finish, and each orator showing careful work and preparation. The trend of thought was not of the pyrotechnic order, but displayed a knowledge of conditions and a free discussion of the various phases of the affairs of today. The decision of the judges in awarding first place to the University of Oregon met the approval of all.

A banquet was spread in the gymnasium after the contest, where covers had been laid for 160 people. Here the college songs, toasts and jollifications were indulged in until the early hours. An orchestra of 15 pieces furnished the music and added much to the evening's pleasure. The hospitable homes of Monmouth were thrown open to the visitors, and every guest was given a warm welcome.

The new officers of the association are: R. R. Clarke, of Corvallis, president; E. A. Nott, of McMinnville, secretary; T. R. Townsend, of Eugene, treasurer. Resolutions were passed recommending the University appropriation, as well as one for the State Normal. The next contest will be held in Corvallis.

C. H. Chapman Entertains Friends.

Charles H. Chapman gave a pleasant birthday party at his home Thursday evening. Seventeen guests were present, and an enjoyable social hour was passed. Mrs. D. J. Becker entertained the company with several select readings, and a fine lunch was served. Those present were: Mr. and Mrs. M. M. Ellis, Mr. and Mrs. A. B. Muir, Rev. and Mrs. D. J. Becker, Mr. and Mrs. W. H. Boals, Mr. and Mrs. N. L. Butler, Mr. and Mrs. Robert Hatton, Mr. and Mrs. R. L. Chapman, Mrs. C. E. Snyder, Mrs. James Magers and C. H. Chapman.

Electricity for Lighting

Is only expensive to people who are wasteful and careless. To you, who are naturally careful, it does not come high. ∴ ∵ ∴

It is economical because it can be quickly turned off when not needed. With gas or kerosene there is the temptation to let light burn when not needed to save bother of lighting and adjusting. In some homes the electric light bills amount to only one or two dollars per month. You can probably get some kind of artificial light for less money than electric light, but does it save you anything when it limits opportunities for work and recreation—ruins your eyesight—smokes your walls—mars decorations and increases household work. You could probably save a dollar tomorrow by going without your meals but it wouldn't be economy. It is not so much what you save, but how you save that counts.
