J. C. HAYTER, EDITOR AND PUBLISHER.

Published Semi-Weekly at \$1.50 per Year. Strictly in Advance.

Entered as second-class matter March 1, 1907, at the post office at Dallas, Oregon, under the Act of Congress of March 3, 1879.

DALLAS, OREGON, MARCH 27, 1908.

The way to build up Dallas is to patronize Dallas people.

The day of the political machine in Oregon is over. All of the old machine men at least tacitly acknowledge this...

The study of practical agriculture, which has been for two years one of the primary aims for which the Polk County School Children's Industrial Fair was conducted...

Rev. Father Peter C. York, the eloquent and distinguished San Francisco priest, is not in sympathy with the pending graft prosecutions for the expressed reason that he does not like Francis Heney and because, he asserts, that little has really been accomplished...

The Observer is a firm believer in political parties. This country must of necessity be governed through parties, and the best possible legislation will only be secured when we have two strong parties.

If you want a good home in Dallas with lots of fruit and fine sandy garden, see H. G. Campbell.

The Dallas Free Library will be closed tonight on account of Mrs. McGuire's recital at the Colosseum rink.

Our sugar is guaranteed to be pure Honolulu cane. No beet sugar with us. Reduction in price doesn't mean reduction in quality.

Mr. and Mrs. John McDowell, of Lincoln county, have been visiting in Dallas and Falls City. Both are pioneers of this state, and made their home in Polk county for several years.

Until further notice, the OBSERVER office will sell no paper at retail. Our facilities for handling stock in small quantities are so limited that every sale represents a positive loss to the office.

How Is Your Blood? If you lack strength, are nervous, have no appetite, don't sleep well, get tired easily, your blood is in bad condition.

Dyspepsia - For six months my system was out of order with dyspepsia and impure blood. Spent lots of money in vain, but Hood's Sarsaparilla cured me.

Weakness - I know the day I heard of Hood's Sarsaparilla, as it cured me of extreme weakness after grip, built my husband up after pneumonia, and cured my own...

Hood's Sarsaparilla is sold everywhere. In the small liquid, or in tablet form called Sarsapill. 100 Doses One Dollar. Prepared only by C. I. Hood Co., Lowell, Mass.

ATTITUDE IS UNCHANGED

Senator Fulton Says He Has at No Time Opposed Statement No. 1.

Denying emphatically that he has changed his position on Statement No. 1 or any other issue before the people, United States Senator Fulton reached Portland last night from Washington, personally to conduct his campaign for renomination and re-election.

Discussing the reports that he has modified his position as to Statement No. 1, Senator Fulton reiterated that his attitude on that subject was the same as he had declared in a public address at Corvallis last summer; that while he believed and always had believed that the people should elect their United States Senators, the question of subscribing to Statement No. 1 was purely a matter of individual conscience, he said.

"I have made no statement for publication since arriving in the state and any statement to the effect that I have changed my attitude in regard to Statement No. 1 is incorrect. I have stated to friends since arriving in the state, when informed that I was credited with being opposed to Statement No. 1, that that report is a mistake, for I am not and never have opposed it. The only public utterance I have ever given on the subject was in a speech I delivered at Corvallis last Summer, in which I said, being a candidate for re-election, I did not deem it my duty to attempt to instruct candidates for the Legislature as to their duty in that regard; that in my judgment whether a candidate should or should not subscribe to Statement No. 1 is a matter that must be left to the individual conscience of each candidate. If he feels that he can subscribe to it conscientiously, well and good. I do not advise him against it. On the other hand, if he feels that he cannot, it is for him to determine, and I do not think it would be proper for me to insist that he should adopt one course or the other."

"It is sufficient, I think, for me to say that I am and have been all my life an earnest advocate of the election of Senators by the people, and I shall support that proposition whenever and wherever the occasion shall arise. This I have said several times today, and from it no doubt, emanated the report that I had altered my attitude respecting Statement No. 1."

The Dallas Free Library received yesterday two new volumes, Pope's translation of "The Iliad," given by James Howe, and "Campaigning in the Philippines" given by Miss Jeseline Disbrow.

What Ails You?

Do you feel weak, tired, despondent, have frequent headaches, coated tongue, bitter or bad taste in morning, "heart-burn," belching of gas, acid risings in throat after eating, stomach gas or burn, foul breath, dizzy spells, poor or variable appetite, nausea at times and kindred symptoms?

If you have any considerable number of the above symptoms you are suffering from biliousness, a rapid liver with indigestion, and a general derangement of the Medical Department is made up of the most valuable medicinal principles known to medical science for the permanent cure of such abnormal conditions. It is a most efficient liver invigorator, stomach tonic, bowel regulator and nerve strengthener.

The "Golden Medical Discovery" is not a patent medicine or secret nostrum, a full list of its ingredients being printed on its bottle-wrapper and attested under oath. A glance at its formula will show that it contains no alcohol, or harmful habit-forming drugs. It is a fluid extract made with pure, triple-refined glycerine, of proper strength, from the roots of the following native American forest plants, viz., Golden Seal root, Stone root, Black Cherrubark, Queen's root, Bloodroot, and Mandrake root.

The following leading medical authorities, among a host of others, attest the foregoing roots for the cure of just such ailments as the above symptoms indicate: Prof. H. H. Harkness, M. D., Professor of Anatomy, University of Chicago; Prof. J. M. Allen, M. D., Author of "American Dispensary"; Prof. J. M. Scudder, M. D., Author of "Specific Medicines"; Prof. Laurence Johnson, M. D., Med. Dept. Univ. of N. Y.; Prof. F. C. Wood, M. D., Author of "Materia Medica and Prof. in Bennett Medical College, Chicago. Send name and address to Postal Card to Dr. R. V. Pierce, Buffalo, N. Y., and receive free booklet giving full details of the above medicine, and the authors and many others endorsing in the strongest possible terms, each and every ingredient of this "Golden Medical Discovery" is composed of:

Dr. Pierce's Pleasant Pellets regulate and invigorate stomach, liver and bowels. They may be used in conjunction with "Golden Medical Discovery" if the bowels are constipated. They're tiny and sugar-coated.

Electricity for Lighting

Is only expensive to people who are wasteful and careless. To you, who are naturally careful, it does not come high.

It is economical because it can be quickly turned off when not needed. With gas or kerosene there is the temptation to let light burn when not needed to save both of lighting and adjusting. In some homes the electric light bills amount to only one or two dollars per month. You can probably get some kind of artificial light for less money than electricity, but does it save you anything when it limits opportunities for work and recreation—ruins your eyesight—smokes your walls—mars decorations and increases household work. You but it wouldn't be economy. It is not so much what you save, but how you save that counts.
