Polk County Observer

J. C. HAYTER,
EDITOR AND PUBLISHER.

Published Semi-Weekly at $1.50 per Year.
Strictly in Advance.

Entered as second-class matter March 1, 1907, at the post office at Dallas, Oregon, under the Act of Congress of March 3, 1879.

DALLAS, OREGON, MARCH 31, 1908.

The way to build up Dallas is to patronize Dallas people.

FOLLOW THEIR LEADER.

In its issue of March 3, the Observer said:

We do not care whether legislative candidates are for Statement No. 1, or 2, or any other number, just so long as they are honest, capable, intelligent Republicans. We are perfectly willing to leave the matter to the INDIVIDUAL CONSCIENCE of each voter.

This sentiment brought forth a howl of protest from some of the little yawpers in the Fulton ranks, who declared that they would support no Republican not opposed to Statement No. 1. Now comes Senator Fulton, himself, and says:

"The report that I am opposed to Statement No. 1 is a mistake, for I am not and never have opposed it. Whether a candidate should or should not subscribe to Statement No. 1 is a matter that must be left to the INDIVIDUAL CONSCIENCE of each candidate."

The little yawpers have been strangely quiet ever since.

The Newberg Graphic refers to Dallas as the "great billy goat center of the West Side." The great billy goat center of the United States, Brother Woodward.

The annual report of the State Railway Commissioners, a volume of 365 pages, has just been issued. More waste of good white paper and the people's money.

The Eugene Register voices the Observer's sentiments exactly when it says: "The Register desires to add Statement No. 3 to the primary law, which is in effect as follows: That fitness of the candidate for the office of legislature is of vastly more importance to the State of Oregon than any provision that may be contained in Statements No. 1 or 2 of the law."

It is reported that Roosevelt and Fulton have buried the hatchet, and that the strenuous Teddy has taken the Astoria statesman under his wing. Seems like we recall some such report concerning the President and Binger Hermann just before the election four years ago. It now remains for Mr. Fulton to get himself photographed on the tail end of the Presidential palace car, wearing the grin that won't come off, and all will be well.

W. J. Stowe, proprietor of the Dallas Truck Company, has sold his business to F. H. Muscott, who has been in his employment for about a month. Mr. Stowe will continue to reside in Dallas.

During his stay in Oregon, Bishop Hartzler, of the Evangelical Conference, will fill the following appointments in Polk County: March 30, at Lewisville, March 31, Bridgeport; April 1 to 6, Dallas; April 6, Independence; April 7, Buena Vista.

L. Gerlinger Jr. left Saturday for San Francisco, where Mrs. Gerlinger has been seriously ill for some time with typhoid fever. Although she recently suffered a slight relapse, she is now believed to be out of danger, and a speedy recovery is hoped for.

E. S. Cattron, a former Polk county boy, is a candidate for the nomination for County Judge of Sherman county. He has served the people of Wasco as Mayor for many years, and has received flattering assurances of support from the people of his county for the office of Judge.

The following officers have been elected to serve in the Utopian Literary Society of Dallas College during the ensuing term. Allie Fuller, president; Edith Yates, vice-president; Emma Ridgeway, secretary; Veva Burns, treasurer; Ada Osfield, conductress; Alice Grant, editor.

The Rev. I. G. Knotts, of Albany, Sabbath School Secretary of the Willamette Presbytery, preached in the Presbyterian Church in Dallas, Sunday night, on the subject, "I Am the Good Shepherd." He was entertained at the home of Rev. and Mrs. D. J. Becker during his stay in this city.

OSCAR HAYTER, Attorney for Plaintiff.

What Ails You?

Do you feel weak, tired, despondent, have frequent headaches, coated tongue, bitter or bad taste in morning, "heartburn," belching of gas, acid risings in throat after eating, stomach gnaw or burn, foul breath, dizzy spells, poor or variable appetite, nausea at times and kindred symptoms?

If you have any considerable number of the above symptoms you are suffering from biliousness, torpid liver with indigestion, or dyspepsia. Dr. Pierce's Golden Medical Discovery is made up of the most valuable medicinal principles known to medical science for the permanent cure of such abnormal conditions. It is a most efficient liver invigorator, stomach tonic, bowel regulator and nerve strengthener.

The "Golden Medical Discovery" is not a patent medicine or secret nostrum, a full list of its ingredients being printed on its bottle-wrapper and attested under oath. A glance at its formula will show that it contains no alcohol, or harmful habit-forming drugs. It is a fluid extract made with pure, triple-refined glycerine, of proper strength, from the roots of the following native American forest plants, viz., Golden Seal root, Stone root, Black Cherrybark, Queen's root, Bloodroot, and Mandrake root.

The following leading medical authorities, among a host of others, extol the foregoing roots for the cure of just such ailments as the above symptoms indicate: Prof. R. Bartholow, M. D., of Jefferson Med. College, Phila.; Prof. H. C. Wood, M. D., of Univ. of Pa.; Prof. Edwin M. Hale, M. D., of Hahnemann Med. College, Chicago; Prof. John King, M. D., Author of American Dispensatory; Prof. Jno. M. Scudder, M. D., Author of Specific Medicines; Prof. Laurence Johnson, M. D., Med. Dept. Univ. of N. Y.; Prof. Finley Ellingwood, M. D., Author of Materia Medica and Prof. in Bennett Medical College, Chicago. Send name and address on Postal Card to Dr. R. V. Pierce, Buffalo, N. Y., and receive free booklet giving extracts from writings of all the above medical authors and many others endorsing, in the strongest possible terms, each and every ingredient of which "Golden Medical Discovery" is composed.

Dr. Pierce's Pleasant Pellets regulate and invigorate stomach, liver and bowels. They may be used in conjunction with "Golden Medical Discovery" if bowels are much constipated. They're tiny and sugar-coated.

Electricity for Lighting

Is only expensive to people who are wasteful and careless. To you, who are naturally careful, it does not come high.

It is economical because it can be quickly turned off when not needed. With gas or kerosene there is the temptation to let light burn when not needed to save bother of lighting and adjusting. In some homes the electric light bills amount to only one or two dollars per month. You can probably get some kind of artificial light for less money than electric light, but does it save you anything when it limits opportunities for work and recreation—ruins your eyesight—smokes your walls—mars decorations and increases household work. You could probably save a dollar tomorrow by going without your meals but it wouldn't be economy. It is not so much what you save, but how you save that counts.
