

Important Decision.
It is important that you should decide to take only Foley's Honey and Tar when you have a cough or cold as it will cure the most obstinate racking cough and expel the cold from your system. Foley's Honey and Tar contains no harmful drugs. Insist upon having it. Stafrin Drug Co., Dallas; M. L. Thompson, Falls City.

Mr. Drury, living near Ivy post-office, raised last year \$1,000 worth of strawberries on 1 1/2 acres of land.

Affords Perfect Security
Foley's Honey and Tar affords perfect security from pneumonia and consumption as it cures the most obstinate coughs and colds. We have never known a single instance of a cold resulting in pneumonia after Foley's Honey and Tar has been taken. Stafrin Drug Co., Dallas; M. L. Thompson, Falls City.

Milton and Freewater people will raise several thousand dollars for dyking the Walls Walls river.

A Common Mistake
Many women mistake kidney and bladder troubles for some irregularity peculiar to the sex. Foley's Kidney Remedy corrects irregularities and makes women well. Miss Carrie Harden, Bowling Green, Ky., writes: "I suffered much pain from kidney and bladder trouble until I started to use Foley's Kidney Remedy. The first bottle gave me great relief, and after taking the second bottle I was entirely well." Stafrin Drug Co., Dallas; M. L. Thompson, Falls City.

E. O. Foley, of Eugene, who has 1,000 acres of wheat near Olex, says he never in 25 years saw wheat looking better at this time of the year.

An Insidious Danger
One of the worst features of kidney trouble is that it is an insidious disease and before the victim realizes his danger he may have a fatal malady. Take Foley's Kidney Remedy at the first sign of trouble as it corrects irregularities and prevents Bright's disease and diabetes. Stafrin Drug Co., Dallas; M. L. Thompson, Falls City.

The Lake county court is going to build a \$35,000 courthouse.

You will soon receive the congratulations of your friends upon your improved appearance if you will take Foley's Kidney Remedy as it tones up the system and imparts new life and vigor. Foley's Kidney Remedy cures backache, nervous exhaustion and all forms of kidney and bladder troubles. Commence taking it today. Stafrin Drug Co., Dallas; M. L. Thompson, Falls City.

Death Was On His Heels.
Jesse P. Morris, of Skippers, Va., had a close call in the spring of 1906. He says: "An attack of pneumonia left me so weak and with such a fearful cough that my friends declared consumption had me, and death was on my heels. Then I was persuaded to try Dr. King's New Discovery. It helped me immediately, and after taking two and a half bottles I was a well man again. I found out that New Discovery is the best remedy for coughs and lung disease in all the world." Sold under guarantee at Belt & Cherrington's drug store, 50c. and \$1.00 Trial bottle free.

He Got What He Needed.
"Nine years ago I looked as if my time had come," says Mr. C. Farthing, of Mill Creek, Ind. Ter. "I was so run down that life hung on a very slender thread. It was then my druggist recommended Electric Bitters. I bought a bottle and I got what I needed—strength. I had one foot in the grave, but Electric Bitters put it back on the turf again, and I've been well ever since." Sold under guarantee at Belt & Cherrington's drug store. 50c.

A Twenty year Sentence.
"I have just completed a twenty year health sentence, imposed by Bockien's Arnica Salve, which cured me of bleeding piles just twenty years ago," writes O. S. Woodruff, of LeRayville, N. Y. Bockien's Arnica Salve heals the worst sores, boils, burns, wounds and cuts in the shortest time. 25c. at Belt & Cherrington's drug store.

FEATHERS AND EGGSHELLS.
Eggs are on the wing, and it's not the hatching season, either. The nest box under the dropping board is the greatest invention of man to stop hens laying. How many miles do you get from those nests every day? Do you keep a mite record?

Do you think you are something in the chicken world? Well, we don't mind your crowing, but don't scratch. Don't lie about your egg record, don't lie about your stock, don't lie about the other fellow.

Canada, the goose country on this side of the big pond, shipped much greater into the United States. Russia has twenty-eight varieties of geese and is the goose country of the world.

Are you filling up your hens with patent egg force? It's a lazy poultryman who shirks his work and substitutes drugs for diligence. Sell your hens now, while prices are high, before the sheriff sells them off for any old price.

Do you make your wife do the chicken work while you sit by the stove and rest yourself? Better read over your marriage certificate and be a man.

Mr. Slowpoke makes up his pens for breeding early in April. Mr. Getthere has his made up already.

When you see a red headed girl, look for a white horse. When you see a red headed hen, look for a white egg.

When you feel like kicking your chickens, just sing the long meter doxology. It will be a novelty to you to feel religious, and the change added to the rations will make the hens lay. Invite the roosters to join in the chorus.

When things go wrong in the chicken house, don't blame it on the woman. Adam tried that trick, and it didn't work. Be up to date.

Special From Panama.—Fresh eggs now retail on the lathams at \$1.20 the dozen, and mongrel chickens are \$1.50 apiece, but gold leaved army officers and snags are for sale at any old price.

Four million four hundred thousand dozens of eggs were shipped to San Francisco from Panama last year. Panama is called the White Leghorn City. They have White Leghorns by stacks, but no coons to burn.

Buff Orpingtons Received With Enthusiasm on Farms.
By A. G. GILBERT.
Long experience has shown that all varieties of fowls are better suited to the requirements of farmers and others than Barred and White Pymouth Buff Rocks, White Wyandottes and Buff Orpingtons. Both Barred Pymouth

BUFF ORPINGTON COCK.

outh Rocks and White Wyandottes are to be found in every locality, and eggs from them may be had at reasonable cost. No variety seems to have a greater hold on the farming community than the Barred Plymouth Rock. The Orpingtons are comparatively new-comers, but have rapidly made their way to a first place in the utility class. Particularly may this be said of the buff variety.

The English group of fowls, among which are the Orpingtons, may be said to embrace many different kinds, and for the most part they have been valued for their egg laying and table qualities. As with the American breeds, the aim seems to have been a combination of egg laying and market types with small frame and superior quality of flesh. In this respect the English and French breeds may be said to be unexcelled. Both nations are also skilled in crossing varieties, with the aim of producing flesh with small frames and a fine quality of meat of white color.

Buff Orpingtons are one of many varieties and probably the most popular of the Orpington family. They are rapidly replacing many worn-out strains and mongrels on our farms and have taken a front place in the utility poultry ranks as winter layers and market fowls. There is great demand for eggs and fowls of this breed. They have fine colored legs and white flesh. Chickens are hardy and grow rapidly. Eggs are of medium or larger size, according to strain.

White Orpingtons are a most promising variety and are likely to become popular on account of their merits as layers and table fowls. They are not

about the same as those of the buff variety, with the exception of the color, three being native to the Pacific coast region. The most valuable and the one that has made such progress on the ranges is the red stemmed alfalfa (Erodium cicutarium). This species is a hairy, slightly viscid, erect or ascending herbaceous winter annual from six to eight inches high. Its flowers are lilac or purple, and the plant possesses generally a pronounced musky odor. During the winter it forms a compact, many leaved rosette from ten to twelve inches in diameter, from which the stems are thrown up during the spring months.

Species of Alfalfa.
There are about eight species of alfalfa growing in the United States, three being native to the Pacific coast region. The most valuable and the one that has made such progress on the ranges is the red stemmed alfalfa (Erodium cicutarium). This species is a hairy, slightly viscid, erect or ascending herbaceous winter annual from six to eight inches high. Its flowers are lilac or purple, and the plant possesses generally a pronounced musky odor. During the winter it forms a compact, many leaved rosette from ten to twelve inches in diameter, from which the stems are thrown up during the spring months.

For San Jose Scale.
Lime sulphur washes for San Jose scale are suitable only for the treatment of trees which are in a dormant state, being much too strong for application to trees in foliage. Experiments indicate that the best results follow applications in spring just before the growth of the tree begins.

For the Farm Dairy.
Work in breeding for milk production at the Canada experiment farms seems to show that (a) superior dairy cows may be found in all breeds; (b) pure bred females are not essential to success in dairy farming, but a pure bred bull should always be used.

CURE YOUR KIDNEYS
Why will people continue to suffer the agonies of kidney complaint, backache, urinary disorders, lameness, headaches, languor. Why allow themselves to become chronic invalids, when a certain cure is offered them?
Doan's Kidney Pills is the remedy to use, because it gives to the kidneys the help they need to perform their work.
If you have any, even one, of the symptoms of kidney disease, cure your self now, before diabetes, dropsy or Bright's disease sets in.
Mrs. L. Holson, of 717 Aura St., Pendleton, Ore., says: "I just as enthusiastically endorse Doan's Kidney Pills today as I did nearly three years ago. They relieved me of kidney trouble which had bothered me for a considerable time. There was aching pains across the small of my back and down through my kidneys, which were aggravated by cold which settled in the back and loins and caused an awful lameness. This was my condition when I began taking Doan's Kidney Pills. This remedy banished the backache and pains through the loins, regulated the kidney secretions and removed every symptom of the trouble. From that day to this there has been no recurrence, and I give Doan's Kidney Pills all the credit. I consider them to be the best kidney remedy procurable and recommend them whenever the occasion arises."

The personal recommendations of people who have been cured of coughs and colds by Chamberlain's Cough Remedy have done more than all else to make it a staple article of trade and commerce over a large part of the civilized world.

AN INSTANCE.
Lucy Suddreth, of Lenoir, N. C., had been troubled with a very bad cough for over a year. She says: "A friend bought a bottle of Chamberlain's Cough Remedy, brought it to me and insisted that I should take it. I did so and to my surprise it helped me. Four bottles of it cured me of my cough."
