**STRONG ATTRACTION COMING**

"Dora Thorne" Company Receives Highest Praise from Theater-Goers Everywhere.

"Dora Thorne" will play Woodman Hall, one night only, May 14 and the announcement will no doubt cause an unusual heavy demand for seats. No play in recent years has attracted so much attention and is being so strongly patronized by the public everywhere and the critics are unanimous in their praise of the production and its supporting cast. One cannot neglect seeing it for it teaches a strong moral lesson, and will be enjoyed by the old and the young alike, and by people of all walks of life. The manner in which the management have produced "Dora Thorne" calls for only the heartiest admiration.

The costumes are elegant and appropriate and the movement and grouping of the persons taking part in the action proper have been so carefully considered, that naturalness and dramatic effectiveness have never been sacrificed. Yet a pictorial quality which belongs to the old painting of the English school has been obtained. As for the scenes in which folks have part, these are among the best offered here in a long time. The exclamations, the evincing of keen interest in what is taking place, all has been planned and carried out with greater skill and acuality than any thing similar that has been seen in any production. The view of Earl Manor lighted and rejoicing is also of great beauty. "Dora Thorne" has always been a favorite of all plays and one that is sure to please.

## SPRING OPPORTUNITIES

WISE TALKS BY U. S. LOUGHARY'S OFFICE BOY

Good morning, everybody! Look what's impersonating an Easter card, also the awakening of Spring, the arrival of broilers and other good things. Don't it make you feel good to see old winter on the operating table and old Sol peeping out from behind the clouds saying, "Come on out; the fishing's fine." I tell you winter has its good points, but I like to see Easter come, for Easter is the Christmas of Spring, when the bells ring for sulphur and molasses and Opportunity begins to knock at your door again. That's about all that knocks in the spring for most everything and everybody wants to boost. It's in the air. One opportunity to help boost yourself and boost my boss, is at your door. I want everybody that loves a kid to help me to the proof. Keep me busy. We can deliver. Put me to the proof.

WILLIE
