The Secret of a Beautiful Face lies in keeping the skin protected as well as cleaned. Just washing is not enough—that only leaves the delicate surface more exposed to the irritation of dust and germs; to merciless attacks of sun and weather. After washing, apply Robentine and experience its delightful refreshment. You will admire the lineless softness it imparts to face, neck and arms. It not only stimulates a radiant glow, but protects the skin from becoming rough, cracked, burning, itchy and freckled.
