### COUNTY BUYS CRUSHER

Beall & Company Awarded Contract For Furnishing Rock Machinery and Road Roller.

The County Court completed a contract yesterday with representatives of Beall & Company, of Portland, for the purchase of an American motor road roller, and an Aurora rock crusher, to be used in the work of rebuilding and repairing the highways of Polk County.

The machines will be received in Dallas about July 1, and the crusher will be set up in the quarry near Salt Creek immediately upon its arrival, so that the road work can be commenced at once and carried on as far as possible before the beginning of the rainy season.

The first work will be done on the roads about Ballston and Perrydale. The rock crusher will be moved to a new quarry as soon as all the work on the roads in the immediate vicinity of the Salt Creek quarry has been finished.

# CARPETS

During the month of June it will be our privilege to exhibit the most exclusive line of carpets ever brought to this city. Particular attention has been paid to getting designs that would please the most fastidious tastes in carpets. Pretty designs when taken with good solid weaving is what makes a carpet to be desired. We can guarantee that our carpets are first-class. We have been asked by some manufacturers to buy seconds in carpets. Some with slight defects, something a customer would never notice, just a few mis-threads, but we declined. Its something you would find out in the time to come and we can not afford that. We have always bought the first-grade and let some one else have the other kind.

Thats what we want you to know and we want you to examine the goods and know for yourself its the truth.
