ORDERS ARE ISSUED

Dallas Company Is Drilling Hard For Encampment at American Lake.
Orders for participation of the Oregon National Guard in the American Lake army field maneuvers have been issued from the office of Adjutant-General W. E. Finzer. The orders cover all details, including the mobilization of the Third and Fourth Infantry Regiments at Portland, preparatory to the trip to American Lake. Among the orders, the following will be of interest to the members and friends of the company in Dallas:
1. Company H, Fourth Infantry will leave Dallas on train Number 6, at 7 o'clock a. m.
2. The third section will leave Union Depot, Portland, over the Northern Pacific, August 3, at 11 a. m., and will consist of one baggage car, Companies A, I, L, M, Third Infantry; A, C, F, G, H, Fourth Infantry.
3. Service uniform and equipments will be worn.
4. State pay will be allowed, the United States paying regular army pay, and the State advancing the difference.
5. Mail matter should be addressed care of Camp David S. Stanley, Tacoma, Washington. Telegrams, freight and express should be sent to Camp David S. Stanley, Murray, Washington. All mail, telegrams, freight, or express should show the company and regiment to whom the party belongs.
Company H, Fourth Infantry, which is stationed in Dallas, is drilling hard and earnestly in preparation for the work at American Lake and the young men will endeavor to make the best possible showing, considering that they will have only one month in which to prepare themselves.
Service uniforms and some of the other equipments have arrived, and the uniforms were served out to the men Tuesday evening and worn in their first out-of-doors drill. Excellent lookers have been built in the lower part of the armory, for the men to store their equipments in.
Peter Greenwood, who had extensive experience in military work while attending the Washington Agricultural College, has charge of the drilling of the company. Captain Chorpensing is quite confident that the company will be able to make a better showing in the maneuvers at American Lake than any of the other companies that have had no longer time for preparation.

DECISION AGAIN POSTPONED

Sentence of A. J. Hembree Will Not Be Pronounced Until Thursday, July 23.
The date for pronouncing sentence upon A. J. Hembree, recently found guilty of murder in the first degree, has again been postponed, and has been set for Thursday, July 23.
Judge M. L. Pipes, of Portland, and W. T. Vinton, of McMinnville, were present yesterday for the defense, Hon. James McCala, the other attorney for the defense, being unable to attend. Prosecuting Attorney John H. McNary represented the state.
Two of the motions of the attorneys for the defense were overruled by Judge Burnett at the hearing yesterday afternoon. One was a motion to remand the trial to Tillamook county, on the ground that the change of venue should have been made to the county nearest Tillamook, which the defense claim should not have been Polk but Clackamas county. The other was a motion to arrest the sentence in Polk county until they could petition for a change of record in Tillamook.
On July 23, Circuit Judge G. H. Burnett will pronounce the sentence, and at that time the attorneys for the defense will file a motion to set aside the judgement, which motion they have also agreed to argue on the same day.
Great interest was taken in yesterday's proceedings, several people from McMinnville and Tillamook being present at the hearing.
To all outward appearance, Hembree himself is the least interested of any in the ultimate outcome of the question. In the court room and on street, passing to and from the jail, he preserves an expression of utter indifference. In his cell he is stoical, talks little, eats heartily, and smokes incessantly, giving way only on rare occasions to temporary spells of silent despondency.

THE CHARACTER OF OUR SHOES

for Women, Misses and Children stands plainly written upon them No printer's ink or artist's brush can satisfactorily portray their individuality.
