POLK AT THE CHERRY FAIR.

Thursday, July 16, marks the opening
of the third annual Cherry Fair
in Salem, and for three days the most
perfect specimens of cherries that can
be procured from the most fertile
orchard regions of Oregon will be on
display in that city. Last year in the
award of prizes, a larger number of
cups and medals were given to the
men whose exhibits represented the
fruit districts of Polk county, than
were carried away by the representatives
of all of the other counties of Oregon
combined. Even great Hood
River was obliged to admit that her
choicest displays ranked inferior to
the wonderful products of the "Blue
Ribbon County" that were exhibited
at that time. This year the fruit
growers of every district in Polk
county where cherries are raised,
report a yield equal to, in every respect
and in many points surpassing, that
of last year. Polk county may then
reasonably hope for a repetition of
those former successes which have
added so materially each year to the
growing list of trophies that have
earned for her the title of "The Blue
Ribbon County," and, as the various
fruit growers within her borders leave
for Salem this week with their choicest
exhibits, the loyal citizens of Polk
county will join in unanimously wish-
ing their representatives "Good
luck!"

Jolly Hayrack Party.

A merry party of young people
drove down from Falls City, Saturday
evening in a hay rack, spent a few
hours in Dallas and drove back in
the moonlight late at night. In the
party were Mr. and Mrs. Walter
Nichols, Mrs. A. E. Eaton; Misses
Mamie Fugitt, Ethel Toome, Frances
Fugitt, Coel Courter, Alice Bancroft,
Miss Cooper; Messrs. Moss Walker,
Jack Flynn, Ed McBride, A. J. Sha-
inger, Jess Beesley, S. Myers, Charles
Moyer, Ralph Chilcott and Otto
Elkins.

Blood Humors

Commonly cause pimples, boils, hives, eczema
or salt rheum, or some other form of eru-
ption; but sometimes they exist in the system,
indicated by feelings of weakness, languor,
loss of appetite, or general debility, without
causing any breaking out.
Hood's Sarsaparilla expels them, restores
strength and tones the whole system.
This is the testimony of thousands annually.
Accept no substitute, but insist on having

R. E. Williams Denies Rumor of His
Proposed Election For State
Chairman.

Today's Oregonian throws new
light on the report lately current that
W. M. Cake was to be succeeded as
chairman of the State Republican
Committee by R. E. Williams, of this
city. On this subject it says:

"W. M. Cake will not resign, neither
is he to be ousted as chairman of the
Republican state central committee.
He will continue in his present posi-
tion as official head of the party
organization in this state and will
personally conduct the Taft campaign
in Oregon.

"This is the true situation as is well
understood among the party leaders.
They have always questioned the
advisability of any move to displace
the state chairman at the beginning
of the Presidential campaign when
complete harmony within the party is
desired.

"There never has been any idea on
the part of the members of the state
central committee to effect a change
in its organization," said Ralph E.
Williams, of Dallas, committee man
for Polk County and National com-
mitteeman for Oregon, at the Imperial
Hotel, last night. "This talk of my
being elected as successor to Mr. Cake
has been altogether without founda-
tion and without my knowledge. The
members of the committee are all
satisfied with Mr. Cake as chairman
and are resolved to make a vigor-
ous campaign in this state in the
interest of Taft and Sherman. I
never have been a candidate for state
chairman and would not have accepted
the office had it been tendered to me at
any time, for the reason that as
National committeeman I have not
the time to give to the work involved
in the chairmanship of the state
organization.

"Mr. Williams came to Portland
to confer with Chairman Cake in
his response to telegrams each has
received from National Chairman
Frank H. Hitchcock, who has called
a conference of the National com-
mitteemen and the chairmen of the
state central committees to be held at
Colorado Springs, July 20 and 21.
Both Mr. Williams and Mr. Cake ex-
pect to attend this conference and will
leave for the meeting place next Fri-
day.

"The telegram from Chairman
Hitchcock was a formal one and failed
to indicate the nature of the business
to be considered.

"Knowing Mr. Hitchcock's remark-
able organizing ability," said Mr. Wil-
liams last night, "there can be no
question but the conference has been
called to outline vigorous and effective
campaign work in every state in the
interest of the Republican ticket."

MANIAC COMMITS SUICIDE

Insane Farmer Living West of Salem
Slashes His Throat With Pocket
Knife.

Schuyler Ruble, a well known farmer
residing two miles west of Salem, com-
mitted suicide yesterday by cut-
ting his throat with a pocket knife.
Ruble had been suffering from mental
derangement for several weeks and
had been taking treatment at a sanitarium
in Portland about a week ago
he came to the home of his mother
in Polk county and has been taken
care of by his brothers.

Yesterday he was left alone for a
moment and when his brother re-
turned he had secured possession of a
pocket knife. The brother tried to
take it away from him but the de-
mented man slashed with the knife
and kicked viciously until he had over-
powered his guardian, and then cut
his own throat.

He was 43 years old and leaves a
wife and three children. He was for-
merly engaged in mining in Southern
Oregon and was well to do.

A real curiosity in the line of natural
history was killed on T. J. Hayter's
property Sunday. It is a white gopher.
A perfect example of its species as far
as physical form is concerned, it
differs from the ordinary run of
gophers in that one respect, every
hair on its body being pure white.
Mr. Hayter sent the little animal
down town yesterday, and it was
regarded with much curiosity by all
who saw it.

Organize Protective Association.

Several of the business men of Dal-
las held a meeting in the Courthouse,
Friday night, for the organization of
a Merchants' Protective Association.
U. S. Loughery was chosen chairman
and a committee has been appointed
to draw up a constitution and by-laws
to be submitted at the next meeting
Friday night.

A pleasant union meeting of the
Endeavor Associations of Dallas was
held at the Christian Church, Sunday
night. Miss Retta Campbell presided
over the meeting, and in addition to
the regular features of the service,
excellent numbers of special music
were introduced.

W. L. Soehren, manager of the Dal-
las Water Company, has appointed
Harold Rich irrigation inspector, to
watch the system and see that the
irrigation hours are observed, and all
irrigating appliance kept in proper
order so as to avoid unnecessary waste
of water.

The members of Company H, postponed
the practice march to Ellen-
dale, which was to have been made
Saturday evening, on account of
thundering weather. The gas will
arrive in a short time and the men
will wait until they have been received
and given out before making the trip.

Samuel Skerries, of Salt Creek, was
painfully bruised by being thrown
from his buggy in a runaway Sunday.
His horse became frightened during
the thunder storm, and turning sud-
denly, cramped the front wheels and
overturned the buggy. Mr. Skerries
injuries are not extremely serious and
he will soon recover.

Professor D. M. Metzger has agreed
to fill the pulpit in the Evangelical
Church at Troutdale, which has been
vacant since the conference was held
last spring. He will preach in that
place every other week from now on
until the beginning of the college
year, unless a regular pastor can be
supplied before that time.

Leading against a wire fence dur-
ing the thunderstorm Sunday morn-
ing, S. M. Ray received a severe
electric shock that paralyzed his limbs
and rendered him speechless for a
short time. It is supposed that the
bolt of electricity struck the fence, and
running along the wires conveyed the
shock to his body. He escaped unin-
jured from this unusual experience.

Miss Jennie Muscott returned from
a short visit in Portland, Friday
evening. Miss Ella Carpenter, who
has been teaching school in Portland,
returned home with her, and will
remain in Dallas during the summer.
Miss Carpenter was obliged to spend
several weeks in the sanitarium after
the close of the school year, but is
now enjoying comparatively good
health.

The Monmouth State Normal School
has established headquarters for its
students and alumni at Gladstone
Park during the present session of the
Chautauqua Association. Professor
L. A. Robinson, head of the depart-
ment of physics and chemistry, is in
charge of the institution, and it is
proving to be very popular among the
friends of the Normal who are attend-
ing the Chautauqua.

Henry Stump is suffering from the
effects of an operation for the removal
of a bit of emery from his left eye. The
emery flew into the eye Saturday,
while Mr. Stump was working in the
foundry, and after suffering severely
for several hours he decided to go to
Salem and consult an eye specialist.
The irritating substance was removed
after a painful and tedious operation
and it is hoped that Mr. Stump will
soon recover from the accident.

Ralph Hall, of Falls City, was tried
in Justice Holman's court yesterday
on the charge of assault and battery,
the complaint being brought by Alex-
ander Lozo. It appeared that Hall
had been called upon to assist the city
marshal in arresting Lozo for disor-
derly conduct. The prisoner resisted
and Hall found it necessary to handle
him rather roughly in taking him to
jail. Immediately after his release,
Lozo hastened to swear out a com-
plaint. After hearing the evidence
Justice Holman dismissed the case.
