SINCERITY CLOTHES SHOP

We are just approaching the height of the Fall season when everybody is about to make their suit selections. While too early for Overcoats, a great many who know the wisdom of doing so, are picking out their overcoats now. You know there is a wonderful array of styles this season and you will find "freak" styles enough to make you think before you buy.

We have a few ourselves, especially designed for young men—but they are in good taste, with some daring ideas in cuffs, lapels and other little oddities that makes them very attractive to younger fellows. Our stock is generally conservative bearing out our claims for leadership.

The Sincerity Clothes Shop DALLAS MERCANTILE CO.

FINE GARDEN LAND

5 and 10 Acre Tracts on Installment Plan

I expect to plat into 5 and 10 acre tracts all of the bottom land on my farm, consisting of about 80 acres. I will sell these tracts on terms that anyone can meet, only \$10 per acre, cash. Under my plan you will have 15 years in which to pay the balance. This is the chance of a lifetime for those who wish to secure a home on the best terms ever offered. No one will question the fertility of this soil. Under my contracts I agree to give an abstract of title with every deed. I will survey this land out next week and it will probably be two weeks before my contracts will be ready, but I can show you the land and you can choose location before that time. There are 20 acres of young orchard on this tract; 18 acres of hops; 3 or 4 acres of old orchard; 2 or 3 miles of tile; all under good fence; right on main county road, one mile of Dallas and right on railroad; in Dallas School District, just outside the city limits. See me at once and have first choice.

Yours for business, H. G. CAMPBELL, Dallas, Ore.
