DALLAS, OREGON, OCTOBER 23, 1908.

The way to build up Dallas is to patronize Dallas people.

OUR NATIONAL TICKET.

For President,
William H. Taft,
of Ohio.

For Vice-President,
James S. Sherman,
of New York.

Presidential Electors
J. D. Lee, of Multnomah County.
F. J. Miller, of Linn County.
A. C. Marsters, of Douglas County.
R. R. Butler, of Gilliam County.

The registration books of Polk county closed Tuesday with still only two persons registered as Populists in the entire county. How hath that noble party dwindled in the past twelve years!

Notwithstanding the fact that the present campaign has been preeminently "the dull campaign" in Oregon things are beginning to warm up a trifle all over the state and the prospects are good for the awakening of some of the real old-time enthusiasm among the supporters of both of the principal tickets.

Governor Chamberlain now says that he will not go on the stump for Bryan during this campaign—he is non-partisan. The consistency with which he plays his political hand out to the end is at least commendable. We might have been led to believe that the ruse by which he gained the popular vote for Senator in the June election was after all, nothing but a ruse, had he dropped it at this stage of the game.

Buckley, Division Superintendent L. R. Fields, E. A. Clippel, superintendent of telegraph, I. F. Myer, car service agent, W. Ballons, resident engineer and others.

John Castle has moved with his family from Dayton and will go into the grocery business in this city. His store will occupy the room in the Brown building which will soon be vacated by L. H. Shultz, who will move his stock of groceries into new quarters in the Williams building on Court street. Mr. Castle will be assisted in his store by his son-in-law, Dee Dunn.

A car derailed near Monmouth yesterday morning, made it impossible for the motor from Independence to make its regular run to Dallas. Mr. Hirschberg's electric car was brought into requisition, however, carried around the obstruction and the passengers were brought over to Dallas in it. The track was cleared in the afternoon and the regular train was again on the run last night.

SINCERITY CLOTHES SHOP

We are just approaching the height of the Fall season when everybody is about to make their suit selections. While too early for Overcoats, a great many who know the wisdom of doing so, are picking out their overcoats now. You know there is a wonderful array of styles this season and you will find "freak" styles enongh to make you think before you buy.

We have a few ourselves, especially designed for young men—but they are in good taste, with some daring ideas in cuffs, lapels and other little oddities that makes them very attractive to younger fellows.

Our stock is generally conservative bearing out our claims for leadership.

Electricity for Lighting

Is only expensive to people who are wasteful and careless. To you, who are naturally careful, it does not come high.

It is economical because it can be quickly turned off when not needed. With gas or kerosene there is the temptation to let light burn when not needed to save bother of lighting and adjusting. In some homes the electric light bills amount to only one or two dollars per month. You can probably get some kind of artificial light for less money than electric light, but does it save you anything when it limits opportunities for work and recreation—ruins your eyesight—smokes your walls—mars decorations and increases household work. You could probably save a dollar tomorrow by going without your meals but it wouldn't be economy. It is not so much what you save, but how you save that counts.
