BACKACHE IS KIDNEY ACHE
To Eliminate the Effect, You Must Remove The Cause.

Pain is nature's signal of distress, a warning that must not be ignored. Those sharp twinges in the back, those stab-like pains that follow any sudden twist or turn, are simple signs of hidden dangers in the kidneys. No trouble starts more easily, gains ground more rapidly, nor proves more often fatal than any disorder of the kidneys. All the outward appearances of health may remain until a terrible disease has taken root. Don't wait. The moment you feel any uneasiness, lameness or pain in the back, the moment the urine shows irregularity, either in its appearance, or in the quantity or number of the passages, begin with Doan's Kidney Pills. This remedy has been curing kidney troubles for seventy-five years, and never yet has failed to give relief if taken in time. It cures the kidneys, and thus cures backache, lame back, headache, dizzy nervousness, languor, sciatica and all other symptoms of kidney troubles.

Home proof is convincing evidence of the efficiency of Doan's Kidney Pills. Call at Belt & Cherrington's drug store and ask to see statements of Dallas people who have used this remedy.
