Otto F. L. Herse "nature's sweet
singer," failed to put in an appear-

graphing ahead that he was suffering
from a severe sore throat. It is
thought by some of a cynical nature
however, that the smallness of the
advance sales in this city, had much
to do with the "sweet singer's" sudden
indisposition.

Good Coffee Values
WISE TALKS BY U. S. LOUGHARY'S
OFFICE BOY

I was reading about a fellow who
was asked what he had had for lunch,
and he said: "A piece of baconine,
some almost shanish berries, (eggs)
a grunt and a cackle (ham and eggs)
a cup of near coffee and some not
quite pie." Well, you won't find any
"near coffee around this shop; that is,
if we sell it to you for coffee. Our
eggs are fresh—no eastern or packed
eggs. It's easy for a grocer to give
you a good run for your coffee money
if he isn't too stingy. Our coffee is
better than ever before. It all depends
upon how much a grocer is willing to
pay for his coffee. You can buy the
real Old Govt. Java or you can buy
near Java which comes from Brazil,
but whatever we sell you whether it is
Java, Mocha and Java or Costa Rica,
you may know it is the best grade
that can be sold for the money.
Loughary has a big coffee trade and
that helps to give you fresh roasted
coffee any old day you want it, and
not the tasteless kind which has lost
most of its strength. I expect a lot of
ladies in the store today to buy their
coffee.

MUNSING UNDERWEAR

FOR
Men == Women == Children

Twenty different qualities. Every required style
and size. There isn't a question about the better com-
fort and value of MUNSING UNDERWEAR. It's
simply a question of how long it will be before you
find it out for yourself. MUNSING UNDERWEAR
is made to fit--tailored as it were to fit the form
and finished as no other underwear is finished. There
are no bunglesome seams, no clumsily worked button-
holes, no loosely knit ankles or cuffs, and best of all
they're always just the same shape and retain their
elasticity until they're worn out, doesn't matter how
often they have been to the laundry.
This is the only place in Polk county carrying this
splendid line.
