MUNSING UNDERWEAR

FOR
Men == Women == Children

Twenty different qualities. Every required style and size. There isn't a question about the better comfort and value of MUNSING UNDERWEAR. It's simply a question of how long it will be before you find it out for yourself. MUNSING UNDERWEAR is made to fit--tailored as it were to fit the form and finished as no other underwear is finished. There are no bunglesome seams, no clumsily worked button-holes, no loosely knit ankles or cuffs, and best of all they're always just the same shape and retain their elasticity until they're worn out, doesn't matter how often they have been to the laundry.

This is the only place in Polk county carrying this splendid line.
