Basketball Game Tomorrow Night.

Tomorrow night's game of basketball between the Dallas College team and the Portland Y. M. C. A. team will probably be one of the hardest games of the season. Pure Apple Cider

WISE TALKS BY U. S. LOUGHARYS OFFICE BOY

Pa says, "At the crack of doom, all the hired girls will be there to assist in cracking it." I think Pa's prejudiced. Jane only dropped the soup tureen. Suppose she'd a dropped all that soup down Pa's neck. Family life is not all it's cracked up to be. I think it's fine to fall out with your best girl so you can kiss and make up. I was out to Julia's house the other night and we got to talking of mouths. I said, "My mouth is bigger than yours." She said, "Tain't so." I suggested that we measure. There's an awful lot of things at our store this month to measure your mouth with. I wouldn't know where to begin to enumerate them, but I will tell you one thing we're strong on and that is pure apple cider and everything good for mince meat. Come in and try a glass of it if you like good cider.
