DIPPING SHEEP.

Steel Vats Best, Says a Breeder—Destroying Ticks on Lambs.

Where sheep swim ten or fifteen feet through a solution I find it quite satisfactory, says a breeder. When sheep swim through the dip it seems to work into the wool better than if they were simply held in it and then taken out.

Several years ago I built on my farm a wooden tank twenty-five feet long, twenty inches wide at the top, four feet deep and six inches wide at the bottom. I made it out of plank, tongued and grooved and painted well. It gave me good satisfaction, but the trouble with the wooden vat is that it soon rots where the ground touches it.

Since I have been using my steel vat I would not think of making another wooden one, as the steel vat is much more durable and therefore causes much less trouble. I have used many kinds of standard dips, and the results have been very satisfactory where the instructions were carefully carried out.

I always give my ewes a dipping in the fall before they are to drop lambs in order to have them free from any parasites, so that the young lambs will not be bothered with them. But in case the lambs do need dipping I think they should not be dipped too young. However, I do not hesitate about dipping mine when they are five or six weeks old.

On the shearing of the ewes the ticks will pass to the lambs. Then by dipping the lambs the ticks are effectively destroyed.

Steers Thrive on Ensilage.

Experiments in steer feeding at the Pennsylvania experiment station show equal gains on a ration of corn ensilage as compared with dry fodder. Slaughter tests failed to show any difference in the carcasses of the two lots, and prices paid for the meat were the same. Figuring the cost, gain was made at greatest profit by feeding the ensilage.

People past middle life usually have some kidney or bladder trouble that saps the vitality which is naturally lower in old age. Foley's Kidney Remedy corrects urinary troubles, stimulates the kidneys, and restores strength and vigor. Mr. F. G. Fritts, Oneonta, N. Y., writes: "My little girl was greatly benefitted by taking Foley's Orino Laxative, and I think it is the best remedy for constipation and liver trouble." Foley's Orino Laxative is best for women and children, as it is mild, pleasant and effective, and is a splendid spring medicine, as it cleanses the system and clears the complexion. C. Stafrin; M. L. Words To Freeze The Soul.

"Your son has consumption. His case is hopeless." These appalling words were spoken to George Blevens a leading merchant of Springfield, N. C. by two expert doctors—one a lung specialist. Then was shown the wonderful power of Dr. King's New Discovery. "After three weeks use," writes Mr. Blevens, "he was as well as ever. I would not take all the money in the world for what it did for my boy." Infallible for Coughs and Colds, its the safest, surest cure of desperate Lung diseases on earth, 50 cents and $1.00. Trial bottle free. Guarantee satisfaction. Belt & Cherrington's drug store.

A Bold Step.

To overcome the well-grounded and reasonable objections of the more intelligent to the use of secret, medicinal compounds, Dr. R. V. Pierce, of Buffalo, N. Y., some time ago, decided to make a bold departure from the usual course pursued by the makers of put-up medicines for domestic use, and so has published broadcast and openly to the whole world, a full and complete list of all the ingredients entering into the composition of his widely celebrated medicines. Thus he has taken his numerous patrons and patients into his full confidence. Thus too he has removed his medicines from among secret nostrums of doubtful merits, and made them *Remedies of Known Composition.*

By this bold step Dr. Pierce has shown that his formulas are of such excellence that he is not afraid to subject them to the fullest scrutiny.

Not only does the wrapper of every bottle of Dr. Pierce's Golden Medical Discovery, the famous medicine for weak stomach, torpid liver or biliousness and all catarrhal diseases wherever located, have printed upon it, in *plain English*, a full and complete list of all the ingredients composing it, but a small book has been compiled from numerous standard medical works, of all the different schools of practice, containing very numerous extracts from the writings of leading practitioners of medicine, endorsing *in the strongest possible terms*, each and every ingredient contained in Dr. Pierce's medicines. One of these little books will be mailed free to any one sending address on postal card or by letter, to Dr. R. V. Pierce, Buffalo, N. Y., and requesting the same. From this little book it will be learned that Dr. Pierce's medicines contain no alcohol, narcotics, mineral agents or other poisonous or injurious agents and that they are made from native, medicinal roots of great value; also that some of the most valuable ingredients contained in Dr. Pierce's Favorite Prescription for weak, nervous, over-worked, "run-down," nervous and debilitated women, were employed, long years ago, by the Indians for similar ailments affecting their squaws. In fact, one of the most valuable medicinal plants entering into the composition of Dr. Pierce's Favorite Prescription was known to the Indians as "Squaw-Weed." Our knowledge of the uses of not a few of our most valuable native, medicinal plants was gained from the Indians.

As made up by improved and exact processes, the "Favorite Prescription" is a most efficient remedy for regulating all the womanly functions, correcting displacements, as prolapsus, anteversion and retroversion, overcoming painful periods, toning up the nerves and bringing about a perfect state of health. Sold by all dealers in medicines.

Take Electric Bitters at once and see Backache fly and all your best feelings return. "After long suffering from weak kidneys and lame back, one $1.00 bottle wholly cured me," writes J. R.
