### Nursing Mothers and Over-burdened Women

In all stations of life, whose vigor and vitality may have been undermined and broken-down by over-work, exacting social duties, the too frequent bearing of children, or other causes, will find in Dr. Pierce's Favorite Prescription the most potent, invigorating restorative strength-giver ever devised for their special benefit. Nursing mothers will find it especially valuable in sustaining their strength and promoting an abundant nourishment for the child. Expectant mothers too will find it a priceless boon to prepare the system for baby's coming and rendering the ordeal comparatively painless. It can do no harm in any state, or condition of the female system.

Delicate, nervous, weak women, who suffer from frequent headaches, backache, dragging-down distress low down in the abdomen, or from painful or irregular monthly periods, gnawing or distressed sensation in stomach, dizzy or faint spells, see imaginary specks or spots floating before eyes, have disagreeable, pelvic catarrhal drain, prolapsus, anteversion or retro-version or other displacements of womanly organs from weakness of parts will, whether they experience many or only a few of the above symptoms, find relief and a permanent cure by using faithfully and fairly persistently Dr. Pierce's Favorite Prescription.

This world-famed specific for woman's weaknesses and peculiar ailments is a pure glyceric extract of the choicest native, medicinal roots without a drop of alcohol in its make-up. All its ingredients printed in plain English on its bottle-wrapper and attested under oath. Dr. Pierce thus invites the fullest investigation of his formula knowing that it will be found to contain only the best agents known to the most advanced medical science of all the different schools of practice for the cure of woman's peculiar weaknesses and ailments.

If you want to know more about the composition and professional endorsement of the "Favorite Prescription," send postal card request to Dr. R. V. Pierce, Buffalo, N. Y., for his *free* booklet treating of same.

You can't afford to accept as a substitute for this remedy *of known composition* a secret nostrum *of unknown composition*. Don't do it.

## Can You Truthfully Answer Yes?

During the past year have you been absolutely satisfied with all your groceries—your teas and coffee, your butter, canned goods and flavoring extracts?

Can you truthfully answer yes?

These things are all within the control of the merchant, and as long as painstaking care is exercised in their selection, you are pretty certain to get first class quality and flavor.

We do not claim to be perfection—we are only human and sometimes make mistakes—but there isn't a store in town that strives more faithfully to have its customers absolutely satisfied, or that will so gladly and quickly rectify a mistake. We deem it a favor to have an error called to our attention, and to have any goods returned that are not everything they should be in quality and freshness.
