BOARD OF TRUSTEES MEET

Members of New Faculty of Dallas College Elected—President Mock Granted Leave of Absence.

Although the personnel of the Faculty of Dallas College for the coming year has not yet been completed, the more important places were filled by election at the meeting of the Board of Trustees, Tuesday afternoon.

Of the members of the faculty who served during the past year, the following have been re-elected to their respective departments: D. M. Metzger, H. H. Dunkelberger, William Caldwell and Mrs. Mae Wright. Miss Hattie Teats, one of the graduates of the college in 1906, was elected to serve on its teaching force during the coming year.

Professor Floyd E. Fisher was not an applicant for work this year, which leaves his place, the science department, vacant. Rev. A. A. Winter, the acting president, and the executive committee will take up the matter at once and the vacancy will be supplied as soon as possible. Professor Fisher will return to the ministerial work.

The report to the Board of Trustees by A. A. Winter, the treasurer, showed the college to be in good financial condition. A canvass will soon be begun under the hearty endorsement of the trustees to strengthen the financial footing of the institution by securing an increase in the endowment fund.

An agreement has been made by the Evangelical Church in the East that if a fair increase in the fund is obtained in the coming canvass that it will agree to duplicate the amount secured in the West, thus placing the college in a most excellent condition financially.

The following resolution was adopted by the Board at its session.

"Whereas, Dr. C. A. Mock, president of Dallas College, has been granted leave of absence by this Board for one year, for the purpose of taking a post-graduate course in an Eastern college, and whereas Dr. Mock, by his work as president of Dallas College, has proven himself to be an able educator and one eminently qualified to be at the head of a Christian institution of learning; therefore, resolved, that, while we grant him leave of absence and bid him Godspeed in all his efforts, we cherish the hope that at the end of the year he will return to us full of inspiration and enthusiasm for our work and we hereby gratefully acknowledge his excellent and devoted service in the interest of Dallas College and tender him our heartfelt thanks for the same."

Charles McDonald, of Buell, has sold his fine farm near that place to parties from Wisconsin and will soon move to Dallas to make his home.

James L. Sipes, of Iowa, is visiting his cousin, J. H. Savery, in this city. He will buy land and locate here if a place can be secured that suits him.

County Clerk E. M. Smith issued license to wed Wednesday, to James Litch and Elizabeth Young and to Charles P. Bratt and Lauretta Conn.

IN CUPID'S REALM

Miss Elizabeth Young Becomes Bride of Mr. James Litch, of Portland.

In a pretty wedding held at the Evangelical Church at high noon yesterday, Miss Elizabeth Young, daughter of Rev. and Mrs. M. B. Young, became the bride of Mr. James M. Litch, of Portland.

Many friends of the happy couple were present to witness the ceremony. Miss Hattie Morrison sang "O Promise Me" after which, as the hour of twelve finished striking the strains of Lohengrin's wedding march, played by Miss Ada Longnecker, rang through the room and the bridal party appeared. The groom accompanied by the best man, Mr. Claud Shaw, and the Rev. D. M. Metzger, the officiating clergyman, entered from the right and passing down the aisle to the altar, awaited the coming of the bride, who with her father passed through the right entrance, preceded by eight flower girls and accompanied by Miss Edna Hayes, the maid of honor and the bridesmaids, Miss Winnie Kelly and Miss Lena Spangle.

The bride was beautifully gowned in white Batiste with the conventional veil, and carried a bouquet of bride's roses. Her maid of honor was dressed in blue and carried white carnations and the two bridesmaids, all in white, carried beautiful bouquets of pink carnations. The little flower girls who heralded the approach of the bride were Modesta Byerley, Irene Reynolds, Ruth McCollum, Harriet Davis, Pearl, Hattie and Ruth Smith and Edith Farnham. Messrs. August Risser and Lew Ballantyne acted as ushers.

Standing before the minister the brief responses were made and the words of the marriage ritual pronounced, after which the bride and groom passed from the church and were driven to the home of her parents, returning shortly to the Hotel Gail, where an elaborate banquet was served for the members of the bridal party and other relatives and immediate friends of the young couple.

Mr. and Mrs. Litch left yesterday afternoon for their new home in Portland, where Mr. Litch is in the employ of the Oregon Railway Light & Power Company. They will be at home to their friends after July 1, at the Sutherland, on 27th and Thurman streets, in Portland.

The bride is well known in this city where she has been universally admired for her many amiable traits. Mr. Litch has also won many friends among those with whom he has become acquainted since coming to Oregon and the best wishes for happiness and good fortune is accorded them from a large circle of friends.

Among the visitors at the Rose Festival, Wednesday, were Misses Edna Yost and Bertha Foster and Messrs. Harold Rich and Lawrence Aldrich.

COMMUNITY SILVER

The Flower-de-Luce design possesses unusual beauty and distinction. It embodies the best traditions of silver smithing—not only as to artistic standards, but in the skill of the craftsman who put the ideas into enduring form.

The plate of the Community Silver is unusually heavy. A test conducted by the U. S. Government Assayer for the "Goldsmith and Silversmith" showed that Community Silver had an ounce more pure silver than any other plated ware.

It may be turned up full or turned low without odor. Safely filled while burning. Requires filling but once or twice a week. Floods every corner of a room, floor and ceiling, with a splendid light.
