Frederick W. Prince, the noted traveler and lecturer will give his illustra-

This week. The lecture is given under the auspices of the Dallas Board of Trade and no admission will be charged nor collection taken.

Mr. Prince's lectures form a plan of advertising devised by the people of California and soon to be adopted by Oregon. The Board of Trade extends to the people of Dallas and surrounding territory a cordial invitation to take advantage of this opportunity and learn what has been done in California in the past and what can be done for Oregon today, just on the threshold of an era of progressiveness.

No children unaccompanied by parents will be admitted, as seating room is limited and the management desires this lecture to be heard by the men
