ELECTRICITY

FOR LIGHTING

It is economical because it can be quickly turned off when not needed. With gas or kerosene there is the temptation to let light burn when not needed to save both of lighting and adjusting. In some homes the electric light bills amount to only one or two dollars per month. You can probably get some kind of artificial light for less money than electric light, but does it save you anything when it limits opportunities for work and recreation—ruins your eyesight—smokes your walls—matters decorations and increases household work. You could probably save a dollar tomorrow by going without your meals but it wouldn't be economy. It is not so much what you save, but how you save that counts.

WILLAMETTE VALLEY CO. RATES—Residence on meters, per Kilowatt 15c; Residence, flat per month, 15c per 50c. RATES FOR BUSINESS HOUSES—25c per drop and 5c per Kilowatt up to 10 drops; over 17c per drop and 5c per Kilowatt. A drop figures 15c or less. For power rates apply at the office. We are always ready to explain the "ins and outs" of the lighting proposition to you, call on us or phone to us, we are never to busy to talk business.

Trusses That Fit

If you are ruptured the Smithsonian is the only truss for you to use. One of our customers, after trying every truss for years with no satisfaction, wore a Smithsonian about two years and was entirely cured of his rupture. Another customer a Gentleman Eighty years old had for years suffered torture from wearing trusses that did no good, we fitted him with a Smithsonian truss and today he is going about his usual vocations with ease and comfort.

Did you ever know of any other truss equally as good?
No matter how long standing your rupture, we can certainly do you good and in most cases effect an entire cure.
No Extra Charge for Fitting.

NEWTOWNS OR SPITZ

Relative Ratings of Two Popular Apples by Expert.

As both Newtown and Spitzberg apples can be successfully grown in Polk County, the following relative ratings of the two varieties, prepared by Secretary Williamson of the State Horticultural Society, will prove interesting and instructive to local orchardists. Mr. Williamson says: "In reply to a query as to the relative rating of the Newtown and Spitzberg apples, will say that the American Pomological society uses the Spitzberg apple as the standard of excellence, so far as quality is concerned, and rates it 10. The rating for quality given the Yellow Newtown is 9.1. This rating was given before Oregon Yellow Newtowns were known outside of the state. This rating applies solely to the quality of the flesh.

"It is a strong assertion to state that any one variety of apples ranks all others, if we take into consideration, in addition to the quality of flesh, color, form and keeping quality of the fruit, and health, vigor and bearing habits of trees, and the diverse tastes of different consumers and groups of consumers.

"There is a marked difference of opinion among good judges as to the comparative merits of the Spitzberg and Yellow Newtown in the matter of quality of flesh. Downing, one of the best authorities on fruits who has ever lived in this country, placed them on a par, to wit: The Spitzberg is a handsome, truly delicious apple, and is generally considered by all good judges equal to the Newtown Pippin, and unsurpassed as a dessert fruit by any other variety."

"The most valuable recent publication on apples is 'The Apples of New York.' In this work the quality of the flesh of the Newtown is rated 'Best'; that of the Spitzberg 'very good to best.'"

"In the United States, the Spitzberg of the fanciest grade sold for higher prices than Newtowns of the corresponding grade. In England the Newtown is preferred to all other apples sent from this country, and the Spitzberg is not especially popular, selling there at about the same prices as Baldwin, Northern Spy and King apples of equal condition."

Portland Architect Prepares Plans for Independence High School.

Plans have been prepared by E. C. McClaren, architect, for a fine reinforced concrete high school building to be built at once at Independence, Oregon. The architectural award was made in competition, several Portland and other architects having submitted drawings for the proposed high school building.

The building will be 87x67 feet and will consist of two stories and a basement. It will be built of reinforced concrete and will be further proofed against fire by asbestos shingles. The cost will be \$20,000. Work will begin immediately and the building finished by October for the opening of the Fall term of school.

In the full concrete basement will be located the lavatories, the manual training rooms, domestic science rooms, girls' and boys' lounging rooms, laboratories for chemistry, physics, etc. and the heating plant.

On the first floor will be class rooms and the principal's office. This office will be equipped with a large open fire-place. On the second floor will be a large study hall to be used for assembly purposes, class rooms and rooms for the various teachers. The lighting and ventilation of the building will be such as is found in the best of modern school houses.

The school building is to be located in an eight-acre tract which has recently been purchased by the school board. This tract will be fitted up for an athletic park and campus ground for the students. The building to be built at this time is the only structure now proposed. It will be of the Mission Doric type of architecture and will present a handsome appearance—Sunday Oregonian.

George Nessling Improves.
George Nessling, a member of Company H, Oregon National Guard, who was accidentally shot in the leg about six months ago, while tending the pit at the rifle range south of town, is gradually recovering from the effects of the wound. For awhile it was feared by the surgeons that the leg would have to be amputated, but this has been found unnecessary, although it may be some time before Mr. Nessling will regain full use of the injured limb.

Dallas Wins First Game.
The first baseball game of the Polk County High School League series was played on the Dallas College campus Saturday afternoon between the Falls City and Dallas teams. Both sides put up a plucky game for youngsters, and every tally was well earned. Being unable to secure the grounds for the entire afternoon, the boys played only seven innings. The final score was 7 to 6 in favor of Dallas.

The Place to List Your Property.
A lady called at our office the other day, saying she wanted to list her property in two or three real estate offices. When she was told that we had an office in Portland, one in Salem, and our home office, she immediately listed her property with us, remarking that "with your three offices, you have better opportunities to find buyers than any other real estate firm in Polk County." Call on us. We will treat you right.

LUMBERMEN VISIT POLK

ENTERTAINED ON EXCURSION BY LOCAL MILL MEN.

Inspect Plants at Dallas, Falls City and Black Rock; Banqueted in Salem.

The Oregon and Washington lumbermen came, saw and conquered. A jolly bunch of practical, hard-working business men, out for a half holiday, these sawmill owners threw dull care to the winds and made the most of their brief vacation. For the residents of Polk County they had the glad hand and a cheerful word, and our people, in turn, overlooked no opportunity to add to the pleasure of their visit.

The Oregon and Washington lumbermen came into Polk County, Saturday afternoon, as the guests of the Willamette Valley Lumber Company, the Falls City Lumber Company, and the Spaulding Logging Company. Arriving in Salem from Portland, they were held in the Board of Trade rooms in the Capitol City. The meeting adjourned at noon, and the lumbermen were then taken across the Willamette River bridge to West Salem in automobiles, which had kindly been placed at their disposal by the entertainment committee. Here they boarded the palatial motor car of the Salem, Dallas and Falls City railroad and a quick run was made to Dallas, where an elaborate lunch had been prepared at the Hotel Gal.

An hour was spent in Dallas in greeting friends and visiting the great plant of the Willamette Valley Lumber Company. The party then boarded the car and was soon in Falls City, where an impromptu, but highly pleasant and hospitable reception, was tendered them by local business men. Forty minutes were spent in looking over the live lumber town and in visiting the plant of the Falls City Lumber Company, where every courtesy was shown the visitors by G. A. Griswold and F. S. Belcher, members of the company owning the plant and who had accompanied the excursion from Portland. Many expressions of sympathy were heard for Manager W. T. Grier, who had left Falls City early in the morning to drive to Salem to meet the excursionists and had met with a runaway accident in which he sustained a broken ankle.

Early in the afternoon, the return luncheon was served in the Board of Trade rooms. C. N. McArthur, Speaker of the last House of Representatives, and now private secretary to Governor Benson, presided as toastmaster. Happy and entertaining talks were given by Chief Justice Moore, member of the Oregon and Washington Manufacturers' Association, and his absence, under such painful and distressing circumstances, from the reception given his brother lumbermen in his home town was a cause of deep regret to all present.

Late in the afternoon, the return luncheon was served in the Board of Trade rooms. C. N. McArthur, Speaker of the last House of Representatives, and now private secretary to Governor Benson, presided as toastmaster. Happy and entertaining talks were given by Chief Justice Moore, member of the Oregon and Washington Manufacturers' Association, and his absence, under such painful and distressing circumstances, from the reception given his brother lumbermen in his home town was a cause of deep regret to all present.

The excursionists united in declaring that their trip into Polk County, Saturday afternoon, was one of the most pleasant events in the history of the industry along the line of the new railroad was a revelation to most of them, as was also the superb service afforded by the railroad company itself. The lumbermen also expressed deep appreciation of the courtesies shown them by the entertainment committee, which consisted of George T. Gerlinger, secretary and manager of the Willamette Valley Lumber Company; Graham A. Griswold, sales manager of the Falls City Lumber Company; and J. P. Keating, sales manager of the Spaulding Logging Company. The members of the excursion party were:

- A. M. Hagan—Booth Kelley Lumber Company.
- A. B. Wastell—Whitney Company, Limited.
- F. C. Knapp—Peninsula Lumber Company.
- E. D. Kingsley—Western Oregon Lumber Company.

- F. C. Young—West Side Shingle and Lumber Company.
- E. W. Ostrander—Secretary Oregon and Washington Manufacturers' Association.
- F. S. Belcher—Falls City Lumber Company.

While driving from Falls City to Salem to meet the lumbermen's excursion last Saturday, W. T. Grier, manager of the Falls City Lumber Company, was thrown from his buggy and painfully injured. The accident occurred at a point about two miles west of Falls City, where the team became unmanageable and ran away. Mr. Grier was thrown out of the rig and one of the bones in his ankle was broken. He was otherwise bruised by the fall. A report from his home last night brought the good news that he is resting comfortably.

Mr. and Mrs. Andrew Holman came up from Portland yesterday to attend the funeral of the late Mrs. Amanda Harris.

W. B. Mackay—North Pacific Lumber Company.
George A. Steel—Three Pines Lumber Company.
F. H. Gilman—Pacific manager "American Lumberman."

USEFUL LIFE ENDED

Mrs. Catherine Richter Passes at Her Home in Dallas.

After an illness of several weeks duration at her home in this city, Mrs. Catherine Richter passed to her final reward Sunday, April 17, 1910, at the age of 72 years and 9 months.

Mrs. Richter was born near Camden, Carroll County, Indiana, July 15, 1837. With her husband, Christian Richter, to whom she was married November 8, 1855, Mrs. Richter came to Oregon in 1871. The family lived in Polk County about eight years and then moved to their farm near Sheridan, Yamhill County, where Mr. Richter died October 6, 1891. Mrs. Richter came to Dallas in October, 1897, and made her home in this city until the time of her death.

She is survived by one son, John Richter, Deputy Sheriff of Polk County, and one daughter, Mrs. Dan P. Stouffer, of this city. A daughter, Augusta May, died May 12, 1887. Besides the two children, one brother, two sisters and two grandchildren are left to mourn their loss.

Mrs. Richter was a gentlewoman of many fine qualities of mind and heart, and was greatly beloved by her neighbors and friends. She was a member of the Rebekah lodge and was held in the highest esteem by her sisters in that order. Her passing at the ripe age of 72 years marks the end of a useful and well-spent life.

The funeral was held from the family home this morning and was conducted by the Rev. M. E. Spahr, pastor of the Methodist Episcopal Church. The body was taken to Pleasant Hill cemetery near Ballston for burial.

Visits His Parents.

Dean Collins came down from Eugene, Friday, and is visiting his parents, Judge and Mrs. J. L. Collins, at the home of his sister, Miss Nellie, west of Falls City. Judge Collins is recovering slowly but steadily from the effects of the injury received in an accident five weeks ago, when he was knocked down by a horse and his leg broken. While unable to sit up more than a few minutes each day, he suffers little or no pain, and is enjoying excellent health. It is believed that the broken bone is steadily healing, although the process is necessarily slow. Judge Collins' many friends will be glad to hear that he is on the road to recovery.

Hurt in Runaway.

While driving from Falls City to Salem to meet the lumbermen's excursion last Saturday, W. T. Grier, manager of the Falls City Lumber Company, was thrown from his buggy and painfully injured. The accident occurred at a point about two miles west of Falls City, where the team became unmanageable and ran away. Mr. Grier was thrown out of the rig and one of the bones in his ankle was broken. He was otherwise bruised by the fall. A report from his home last night brought the good news that he is resting comfortably.

WILL PLAY BASEBALL

HIGH SCHOOL BOYS ORGANIZE COUNTY LEAGUE.

Moss Walker, of Independence, offers Handsome Cup to Winning Team; Schedule is Arranged.

The High School boys of Polk County have organized a baseball league and will play a series of games for the championship of the county. The officers of the league are W. L. Ford, president, and B. W. Teats, secretary. The members of the committee on rules, regulations and schedules are County Superintendent H. C. Seymour, A. L. Clark and J. E. Dutton.

M. W. Walker, an enterprising business man of Independence, and a loyal friend to the schools of Polk County, has offered a handsome cup to the champion team. With this prize as an incentive, some red-hot ball playing may be expected of the high school boys during the next few weeks.

Rules and Regulations.

All regular students in either Grammar or High school grades who are doing in the Grammar grades the regular work, and in the High school grades at least three subjects with passing grades, are eligible to enter the league.

All players must be certified to by the principal, and such certification sent to the principal of each school taking part in a game at least two days prior to the game.

Each team shall be responsible for its own expenses.

Home team shall furnish one new ball for game.

The participating teams shall choose an umpire for the game. The home team shall submit four names of men suitable for umpire, to the visiting team two days before the game, and the visiting team shall select one. In case of disagreement, the president of the league shall appoint an umpire for the game in question.

Any team failing to participate in a game as scheduled, except by weather permitting, shall forfeit said game to opposing team.

The team winning the highest percentage of games shall be declared the winner of the league and presented with the cup offered by M. W. Walker, of Independence, as the winning team; said cup to remain in the possession of said team until the end of the league work in the following year, then to go to the winning team of that year. Any team winning two years in succession shall be the permanent owners of the cup.

Schedule of Games.

April 23—Independence at Dallas; Falls City at Monmouth.

April 30—Monmouth at Independence; Dallas at Falls City.

May 7—Falls City at Independence; Monmouth at Dallas.

May 14—Monmouth at Falls City; Dallas at Independence.

May 21—Independence at Monmouth; Falls City at Dallas.

May 28—Independence at Falls City; Dallas at Monmouth.

THREE TRAINS A WEEK

Tri-Weekly Freight Service on Salem, Dallas and Falls City Railroad.

Commencing with the new passenger schedule of April 17, regular freight service was inaugurated by the Salem, Dallas & Falls City railroad between Salem, Black Rock and way points. This will be a tri-weekly service, and trains will be run on Tuesday, Thursday and Saturday.

General Manager Louis Gerlinger, Jr., informs the Observer that daily service will be established as soon as the business of the road will justify.

Will Set Broken Bone.

Emerson Black whose leg was mangled and broken at the Willamette Valley Lumber Company's sawmill last week, is resting comfortably at the Dallas Hospital. Because of the condition of the broken leg, no attempt will be made to set the bone until the swelling in the limb has partially subsided. Mr. Black's many friends are hoping for his early and complete recovery.

Attend Basket Social.

A crowd of young people drove out from Dallas and attended the basket social at Bridgeport, Saturday evening. Those going were Misses Ruth Shaw, Mabel Poling, Gladys Wilson, Inez Ridgeway, Mabel Boydston, Addie Boydston, Messrs. Roland Holman, Leonard Shaw, William Boydston, Fred Boydston, Frank Johnson, Robert VanOrdel, Carl Fenton and Lew Ballantyne.

Notice.

Having added an up-to-date Candy Kitchen and, hired a candy-maker who has had 18 years of experience, we are in a position to give you fresh candy that is made right every day. Give us a trial and be convinced that we are second to none.
W. R. ELLIS.

Falls City Was Represented.
Falls City was well represented at the Open River convention held in Albany last week. The delegates elected by the Falls City Commercial Club and in attendance upon the sessions of the convention were Walter L. Young, C. L. Starr, C. J. Pugh and L. W. Zorin.

Invests in Portland.
Dr. and Mrs. D. D. Young were visitors in Portland, Saturday and Sunday. The Doctor combined business and pleasure by investing in several lots in Wellington addition. He is well satisfied with his purchase and with the way the Jacobs-Stine Company is carrying on improvements in the addition. He also visited Mount Claire addition and expects to buy there also.

MANY FIRMS FAIL

Surprising Facts About the Patent Medicine Business.

"The Fourth Estate" has been warning publishers about the risk in allowing credit to new medicine concerns. It is said that there have been only one or two of the thousands of new proprietary medicine houses that have made any considerable money but have started the past twenty years and only a very few more that have met with even moderate success. It is the general impression that the business is immensely profitable while the facts are that there is a larger percentage of failures than in any other line. The new concerns usually start with lots of confidence in the merit of their goods and advertising but soon exhaust their capital leaving creditors who have bought their medicines with unsalable goods on their shelves. It is the experience of many publishers that have accepted this new business that they have been compelled to charge off their bills to profit and loss.

There are many old and reliable medicine houses that continue to do a good or increasing business from year to year but the new ones are finding it more and more difficult to become established.—Des Moines Capital.

BRINGS GOOD PRICE

BUYER BIDS 32 1/2 CENTS FOR POLK COUNTY MOHAIK.

Pool of 60,000 Pounds Sold to William Brown & Company, of Salem—Growers Are Delivering.

William Brown & Company, of Salem, were again the lucky bidders at the annual auction sale of the Polk County mohaiik pool, held in Dallas last Saturday afternoon. The bid of this firm was 32 1/2 cents.

The growers met in the Courthouse in the morning and appointed a selling committee. The members of this committee were C. C. Gardner, Bridgeport; George Richmond, of Smithfield; M. M. Ellis, of Dallas; Emerson Harris, of Oak Grove and G. Rempel, of Perrydale.

In the afternoon this committee met and received bids for the pool. Four bids were submitted, the bidders being: M. M. Ellis, of Dallas
