

Accept This Invitation== You'll be Interested

—Lady Laurel

You are cordially invited to a Laurel Reception to be held at our store from Tuesday, May 3 to Saturday, May 7, 1910

These will be gala days at our store. Everything that could possibly add to your comfort has been done. Delicious hot biscuits and coffee will be served free each day. Besides making ready for your enjoyment, we have prepared a surprise for you in the form of a Laurel Range in operation.

"H'm! Nothing new in that," you say.

The picture in the center is a queer looking one, isn't it?

You never saw a stove pictured this way before—one that showed you the inside. Always pictured like the cut in the lower corner, Eh?

The point we wish to make is this: Because it is different this picture of the inside of a Laurel Range interests you; for the same reason you will be interested in our Laurel Range Exhibition, showing a Laurel Range in operation—its different.

Not Another Range Like the LAUREL

Put your finger or a pencil on the arrows and follow them across top, down the descending flue, over and back on the oven bottom, then up the return flue and out at the smoke pipe and you will realize how the fire travels in a Laurel twin-flue Range.

Your eyes will open in wonder when you are allowed to look into the range through specially made covers containing mica. You can see how the fire is controlled by the Laurel Damper System. You will understand why a Laurel Range heats its top quicker and better; why it heats its oven as no oven has ever heated before.

You'll be convinced that a Laurel Range saves fuel. Yes, and many other things will be shown and proven to you. The "Doubting Thomas" becomes "a Believer" after witnessing a Laurel demonstration.

You are no exception to the rule, so we say YOU will be interested and glad you came.

Get this down in your memory too: That if you purchase a Laurel Range this week, you will be presented with a five piece set of Laurel, triple coated, enameled ware, which would cost you all of \$8.00, if you tried to buy it.

Again we say: YOU'LL BE INTERESTED

ONE CONDUCTOR WHO WAS CURED.

Mr. Wilford Adams is his name, and he writes about it—"Some time ago I was confined to my bed with chronic rheumatism. I used two bottles of Foley's Kidney Remedy with good effect, and the third bottle put me on my feet and I resumed work as conductor on the Lexington, Ky. Street Railway. It gave me more relief than any medicine I had ever used, and it will do all you claim in cases of rheumatism. Foley's Kidney Remedy cures rheumatism by eliminating the uric acid from the blood. Sold by Conrad Starlin.

Bullets have often caused less suffering to soldiers than the eczema L. W. Harriman, Burlington, Me., got in the army, and suffered with for forty years. "But Bucklen's Arnica Salve cured me when all else failed," he writes. Greatest healer for Sores, Eczema, Boils, Burns, Cuts, Wounds, Bruises and Piles. 25c at all druggists.

Laurel Steel Ranges

The largest part of a woman's duties are performed in the kitchen. If this room is well appointed her work becomes a source of enjoyment.

The selection of a right range is an all important point. A Laurel Steel Range will complete the arrangements of an otherwise "up-to-date" kitchen, and be a comfort and a joy to the user.

"Something Different and Something Better" is our claim. That Laurel Steel Ranges have all the features of other ranges is easily proven. Laurel Patented Features in addition—make the difference and confirm our assertions of superiority. These special features are too numerous to be all mentioned.

The Laurel Two-Flue Construction The Laurel Quick Heating Reservoir are two.

Let us explain all the merits of Laurel Steel Ranges to you. We will be glad to see you at any time.
