HIDDEN DANGERS.

Nature Gives Timely Warnings That No Dallas Citizen Can Afford to Ignore.

The kidneys are bean-shaped organs, composed of masses of little tubes, all of which pour their secretions into a main channel that leads to the bladder. In this way the kidneys pass off more than an ounce of poison every day when in their health. But it does not take much to set the kidneys back, and when they get behind, they cannot right themselves without help. The uric acid begins to clog the kidneys, causing that dull, heavy aching in the back, and sharp twinges when stooping or lifting. It crystalizes in the muscles and joints, and every turn or twist brings keenest torture. It attacks the nerves with neuralgia, and sciatica, it brings headache, dizziness, languor, and disorders of the urine. Try a good kidney medicine, if you have any of the above symptoms. There is nothing also so prompt and effective as Doan's Kidney Pills, and this remedy has no effect on the other organs, except to drive out the uric poison that interrupts their action. It cures the kidneys and thus ends the cause of disease. Rich, pure blood and lasting health result.

Home proof is convincing evidence of the efficiency of Doan's Kidney Pills. Call at Fuller's drug store and ask to see the statement of Dallas people who have used this remedy.

Don't Scrub Kitchen Floors

PAINT'S GRANULES THE ACME QUALITY STAINS VARNISHES

Paint that kitchen floor instead of scrubbing it every few days or buying expensive coverings that grow dingy and show wear. You can do it yourself. It's easy and costs only a trifle.

ACME QUALITY

FLOOR PAINT (Granlte)

is the ideal finish for kitchen, pantry and laundry floors, steps and inside surfaces to be walked upon. It's hard, durable, sanitary, easy to apply, easy to keep clean, hard to wear out. Brush it on tonight and you can walk on it tomorrow.

If it's a surface to be painted, enameled, stained, varnished or finished in any way, there's an Acme Quality Kind to fill the purpose.
