Eight Boxes of Gravensteins and Not One Wormy Apple.

Eight boxes of luscious Graven steins and not one wormy apple, is the record of the young orchard of D. A. Critchlow, North of Dallas, this year. The trees are eight years old, and were sprayed four times this season

Mr. Critchlow offered a box of this delicious fruit to any person who could find one wormy apple, but a close inspection failed to reveal the presence

of a single worm in the eight boxes. The record of Mr. Critchlow's orchard shows what can be accomplished in any Polk County orchard, or elsewhere, where industrious work and intelligent. painstaking effort is brought to bear in producing clean, choice fruit.

Mr. Critchlow says if any of his farmer friends in Polk County can beat this record, he would like to hear
