

Houses Wired For Electric Light At Actual Cost

This Offer Good For 30 Days

Beginning October 20

The use of Tungsten Lamps has reduced the cost of electric light, bringing it within reach of all.

75 per cent of the families in Dallas are now using Electric Light.

The only reason why ALL are not using it is because many houses are not wired.

Therefore, in order to assist the owners of these houses in wiring, we have made arrangements to wire houses AT ACTUAL COST as per the following propositions:

Proposition A

A five-room house, wired complete with five drop cords, 16 candle-power lamps, and three ornamental glass shades,

Special Price \$12.00

Proposition B

A six-room house, wired complete with six drop cords, 16 candle-power lamps, and three ornamental glass shades,

Special Price \$13.50

You can have a wall switch installed on any of the above lights for a small additional cost.

Prices on application for fixtures installed complete on either of the above propositions.

The wiring will be installed in a first-class manner by thoroughly reliable workmen.

Larger and more elaborate installations at proportionately low prices. For further particulars call up our

To Voters.

Less than 300 voters in the district affected signed the Washington-Multnomah county annexation petition; 500 in the district have signed a remonstrance, practically all outside the district are against annexation, yet you are called upon to vote the addition of practically one-fourth of Washington, one of the wealthiest, most influential and powerful. Voters of the state outside of the counties affected can know but little of these county division measures. We of Washington know nothing of the merits of those not affecting us, and believe such questions should be left to the counties affected. Washington county cannot afford to lose this territory and Multnomah does not need it. We ask you to vote 339 X No.—W. D. Wood, Chairman Anti-Annexation Committee, Hillsboro, Oregon. The National Telegraph Institute of Portland, Ore., operates six official institutes in America, under supervision of R. R. and Wireless Officials and places all graduates into positions. It will pay you to write them for full details. 104-St.

No better fruit than that around Grants Pass, says an authority up there.

There is more Catarh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven catarh to be a constitutional disease and therefore requires constitutional treatment. Hall's Catarh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucus surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials.
