

HOUSES WIRED FOR ELECTRIC LIGHT AT ACTUAL COST

This Offer Good for 30 Days Only Beginning Oct. 10

The use of Tungsten Lamps has reduced the cost of electric light, bringing it within the reach of all. Seventy-five per cent of the families in Dallas are now using Electric Light. The only reason why ALL are not using it is because many houses are not wired. Therefore in order to assist the owners of these houses in wiring, we have made arrangements with a local wiring contractor to wire houses AT ACTUAL COST as per the following propositions:

PROPOSITION "A"

A five-room house, wired complete, with five drop cords, 16 candle-power lamps, and 3 ornamental glass shades,

Special Price \$12.00

PROPOSITION "B"

A six-room house, wired complete, with six drop cords, 16 candle power lamps, and 3 ornamental glass shades,

Special Price \$13.50

PROPOSITION "C"

An eight-room house, wired complete, with eight drop cords, 16 candle power lamps, and 4 ornamental glass shades.

Special Price \$15.50

Upon presentation of receipted wiring bill to the Oregon Power Co., a discount of 20 per cent will be made. You can have a wall switch installed on any of the above lights for a small additional cost. Prices on application for fixtures installed complete on either of the above propositions. The wiring will be installed in a first-class manner by thoroughly reliable workmen. Larger and more elaborate installations at proportionately low prices. For further particulars call up our
