DALLAS MAN PROVES THAT POLK POULTRY DOES PAY

Clears \$229.78 in One Year From Small Flock of Brown Leg-horns and Turkeys.

Another proof that "Polk Poultry pays" is furnished in a statement given The Observer by J. M. Card of this city in regard to what he has made from his flock during the year of 1911. He has 25 Brown Leghorn hens and two turkey hens. The Leghorns laid 360 dozen eggs during the 12 months, an average of nearly 172 eggs each. In addition to the number of eggs they laid, the Leghorns hatched all the turkey eggs and cared for the young turkeys and hatched and cared for 100 chicks besides.

Mr. Card's figures are as follows:  
360 doz. eggs ..... \$ 92.28  
Cockerels sold at 2 lbs. .... 12.50  
Pullets sold ..... 25.00  
Turkeys sold ..... \$129.78  
Total receipts ..... \$267.28  
Feed bought ..... \$ 37.50  
Net profit ..... \$229.78  
"I know that with proper care with Brown Leghorn hens," says Mr. Card, "I can take 300 hens and clear \$1000 a year quite easily, selling everything at the market price."

LOCALS TO PLAY MT. ANGEL

Dallas' Basket Ball Team Will Go After Collegers Scalps Tonight.

After a rest of two weeks the Dallas basket ball team will play the fast Mt. Angel five at that place tonight. Although arrangements have not been completed it is probable that the locals will play a Salem team in this city next week. Several dates have already been made for next month with some of the fastest teams in the Northwest, the basket ball season in many of the universities is just opening and dates are being made. It is probable that Multnomah will come in two weeks and other strong fives have been scheduled. The University of Washington has written for a date and a game will be arranged with that team probably during February.

County Commissioner William Riddell has gone to Willamina to look after road matters.

Emma Peterson, who has been sick at her home in Salem, has been brought to the Dallas hospital by her guardian, H. S. Butz, for treatment. She was threatened with an attack of typhoid fever, but is improving.

**In Salem Hospital.**  
Roy Gee, of Salt Creek, who is an inmate of the Salem hospital, was operated on Tuesday and is getting along satisfactorily.

**Dr. Bell's Pine-Tar-Honey**  
Is a household word in every state in the union as well as in several foreign countries. For Grippe, Colds, Coughs, Asthma and throat troubles it is the best. Look for the Bell on the bottle. For sale at Staffin's.

What Strangers Say of the New Book Store

"I want to congratulate you on your splendid stock of magazines and periodicals; Portland has nothing better," said a member of the visiting Portland basketball team who dropped into our store the other day.

"The most complete stock of magazines in any Oregon town," declare the traveling men—large numbers of whom are now among our steady customers.

It is hardly necessary to add that we are glad to hear them say it, for it all helps to advertise Dallas as well as our own place of business.

We want you to call and see our new store and the many lines of goods that were never carried in Dallas before. We want to make our stock so complete that it will not be necessary for you to send a single dollar out of Polk county for any article in the Book, Stationery, or Office Furniture line. We are making our stock bigger and better every day, and we need your help and your suggestions in making it complete.

Trade has been good every day since we opened the new store, and we want to build up a book and stationery business here in Dallas that will make us fully deserving of your patronage.

Come in and look over our stock, whether you wish to buy or not. Make yourselves at home with the books and magazines. You will always be welcome.
