Specifications

Motor—Four (4) cylinder. Cylinders are cast en-bloc. Cylinder bore is 3 1/4 inches; piston stroke is 4 inches. Motor is rated at twenty (20) horsepower. Vanadium steel is used in all Ford crank and cam shafts and connecting rods.

Three-Point Suspension—Each of the Ford Model T units is suspended at three points of the chassis.

Transmission—Special Ford Spur Planetary type.

Magneto—Special Ford Design, built in and made a part of the motor. No brushes, no commutators, no moving wires to cause annoyance on the Ford Magneto.

Lubrication—Combination gravity and splash system.

Cooling—By Thermo Siphon water system.

Clutch—Multiple steel disc, operating in oil.

Valves—Extra large, all on right side of motor and enclosed by two small steel plates, making their action absolutely noiseless.

Control—On left side of car. Three foot pedals control high and low speeds, reverse and brake on the transmission. Hand lever for neutral and emergency brake on left side of car.

Brakes—Dual system on all Ford Model T cars. Service brake operates on the transmission and is controlled by foot pedal. Expanding brake in rear wheel drums serves as emergency brake.

Springs—Both front and rear springs are semi-elliptical transverse, all made of specially Ford heat-treated Vanadium steel.

Tires—Front, 30x3 inches. Rear, 30x3 1/2 inches.

Final Drive—Ford triangular drive system with all shafts, universal joint and driving gears enclosed in dust proof and oil proof housing. Only one universal joint is necessary. The Final Drive of the Ford Model T is patented in all countries.

Front Axle—Of I-beam construction, specially drop-forged from a single ingot of Vanadium steel.

Weight—Touring car 1200 lbs; others in proportion.

Wheel Base—100 inches; Standard tread 56 inches; 60 inches for Southern roads where ordered. All Ford Model T cars will turn in 28-foot circle.

Equipment—All Ford Model T's are sold completely equipped—no Ford cars will be sold unequipped. Standard equipment includes Top, Windshield, Gas Lamps, Generator, Speedometer, Three Oil Lamps, Horn and Kit of Tools.

GUY BROS., Dallas, Polk County Agts. For Ford Cars

List of Polk County Farm Names Registered in 1911

The law providing for the registration of farm names, which was passed by the last legislature seems to have been a popular one in Polk county, judging from the number of suburban home owners that have taken advantage of it to place the protection of legal red tape about the titles which they have adopted. Since the new law went into effect last May, the number of farms registered has been 87, a complete list of which, together with the names of the owners and name of nearest town is given herewith:

This is the season of the year when mothers feel very much concerned over the frequent colds contracted by their children, and have abundant reason for it as every cold weakens the lungs, lowers the vitality and paves the way for the more serious diseases that so often follow. Chamberlain's Cough Remedy is famous for its cures, and is pleasant and safe to take. For sale by all dealers.

Frank Kelly, of Albany, has challenged all comers to a spelling match. He says: "I have only a common school education and have not been in a match or contest for over two years, and but once in seven years. I sometimes miss and am not defiant. I merely wish to see the art of spelling kept alive."

Do you know that more real danger lurks in a common cold than in any other of the minor ailments? The safe way is to take Chamberlain's Cough Remedy, a thoroughly reliable preparation, and rid yourself of the cold as quickly as possible. This remedy is for sale by all dealers.

More Observer: Over 100 horses have been sold and shipped out of Sherman county since last harvest. With all prospects of a large crop this year, there may be a scarcity of horses at harvest time.

FIRST GRADUATES FROM NEW MONMOUTH NORMAL

Degrees Conferred Upon Seven At Commencement Exercises Held in Neighboring Town Today.

Monmouth, Or., Feb. 3.—The exercises of the State Normal school will begin tomorrow with the baccalaureate sermon by Dr. H. Charles Dunsmore. The class day program will be on Monday, beginning at 3 p. m., at which time the class will present as a gift to the school, Thorwaldsen's "Night and Morning," bas-relief.

The commencement program will begin at 10:30 Tuesday, when degrees will be received by the following seven members of the senior class: Miss Hazel Bohanon, Miss Jessie Hyde, Miss Queen Lynn, Miss Louise McAlpin, Miss Alice Morrison, Miss Lexie Strachan, Albert Sacre.

Croup

Causes uneasy nights but if you will use Dr. Bell's Pine-Tar Honey it will relieve in a few minutes. There is nothing better. Guaranteed by all dealers. Sold by Conrad Stafrin.

Palsley Press: All around us there is reported bitter cold weather, in some cases even 20 below zero. Yet in Summer Lake and Chewaucan valleys it has not yet reached zero, except possibly once. It would be hard to beat our ideal winter weather, just as it is hard to beat our summers.

Keep to the Right.

"Keep to the right" is such an old quotation that it seems hardly necessary to refer to it, but it is still applicable as ever and especially so to all patrons of the postoffice who have bumped into and have been bumped into while passing through the swinging doors. Observance of the time-honored rule will save time, temper and friends. Just keep to the right.

One of the handsomest, as well as the most instructive calendars we have seen for this year, is that sent out by the White & Wyckoff Manufacturing company, manufacturers of "Autocrat" and exclusive correspondence stationery, Holyoke, Mass. The large type, the featuring of holidays, and notable days of the year, in three color process printing, makes the calendar a most desirable one. A calendar will be mailed upon receipt of 10 cents in coin or U. S. stamps.

H. F. Meyer, a dairy and creamery expert from Tacoma, has established a creamery at Redmond, which will be ready for business February 20.

THIRTEEN PASS TESTS IN EIGHTH GRADE "EXAMS"

Twenty-four Succeed in All But Two Studies at Recent County Examination Held Here.

At the recent midyear eighth grade public school examinations held in this city under the supervision of County Superintendent H. C. Seymour, 65 applicants undertook to answer the test questions prepared for them. According to the results of the grading of the papers which has been finished, 13 passed and are therefore entitled to participate in the graduation exercises to be held next June. Twenty-four of the number were "conditioned," or passed in all but two studies, which they will be allowed to try again this spring.

The following is a list of those who passed in all studies: Florence Luebecke, Dallas; Martha Razloff, Carlton Shanks, Salt Creek; Ruth Simpson, Ruth A. Simpson, Airlie; Bernadette Wilson, Ward; Ray Russell, Frances Eaton, James Foley, Ethel Newton, Lucile Craven, Helen Eaton, Independence; Irvie Ballard, Highland.

Here is a message of hope and good cheer from Mrs. C. J. Martin, Boone Mill, Va., who is the mother of 13 children. Mrs. Martin was cured of stomach trouble and constipation by Chamberlain's Tablets after five years of suffering, and now recommends these tablets to the public. Sold by all dealers.
