WARD SCHOOL NEWS.
The school officers have shown
their interest and loyalty to the
school by placing good walks on the
school grounds and changing the
lighting of the school house and ad-
ding lighting facilities in addition to
more seating capacity. Lumber has
been bought for a new school floor and
will be laid down later in the spring
and, as soon as weather will permit,
they expect to have the building
painted. They also intend to secure
a new flag and place a flag pole on
the grounds.
The school has been presented with
an excellent 5x7 foot map of the
United States.
Every pupil made a grade of 100
per cent in the spelling contest of
February 9. The test seemed to be
less difficult than any given in the
past.
More interest is being manifested
in the Sunday school and, in the
course of a week, there will be pro-
tracted meetings held every evening
in the school house. Rev. Rock, of
Kings Valley, will conduct the re-
vival.
