WILD WITH EXCITEMENT

DALLAS, OREGON, IN A FEVER OF EXCITEMENT OVER THE WONDER CURES PERFORMED BY

Doctor Madison

The Great Medical Expert And Bloodless Surgeon

**Deaf Made to Hear
Lame to Walk**

**WOODMAN HALL
PACKED, NOTHING LIKE IT EVER SEEN IN DALLAS BEFORE**

Dr. Madison and a staff of the medical institute of Liverpool, England, and Crawfordsville, Ind., lectured to a large audience Wednesday night. The doctors are agreeable and forceful speakers and held the audience in close attention while they explained the theory and usefulness of their wonderful discoveries.

Many promises were made which seem utterly impossible to believe, and when the doctor invited those who were hard of hearing to come forward and be cured and A. H. Holmes, Mrs. M. D. Coulter, Mrs. Nora Crider responded to the call and were made to hear in a few seconds.

The doctor then called for cripples on crutches and Marion Hopkins responded.

He was afflicted with that giant disease, rheumatism, and was unable to walk except with crutches and great difficulty and pain.

He was operated on with medicine for twenty minutes and walked off the stage, free from pain and stiffness, followed by the wondering crowd, while the doctor broke his crutches and wild would be putting it mildly. The doctor was warmly congratulated. It seemed like a dream, but it was real. Ministers and doctors were in the audience, and they seemed as well pleased as any.

They treat the following diseases: Paralysis, catarrh, big neck, bladder and kidney diseases, rheumatism, scrofula, female diseases, bowel complaint, debility, dropsy, heart, liver, and nerve diseases, tape worm, sore legs, all ear and eye diseases, cancers, piles and fistula cured without pain, and all kinds of chronic diseases treated.
